

Snow, though it doesn't appeal much to shovellers, is great for photographers as this winterscape shows.

Weekend Victory Puts Rebels in League Lead

Rebels took over first place Sunday as a result of a very close game over the Westlock Eagles -- one of the best all round hockey games played this season. Only 3 minor penalties were handed out in a well refereed hockey game by Bill Fleschen and Terry Tibb.

No goals were scored in the first period, each team getting 12 shots apiece on the nets. Both goal tenders Barry Pankewicz and Fern Proulx came up with big saves.

Westlock opened the scoring at 10:22 of the second period with a goal by Leo Sequin. Ray LaPointe evened it up at 11:32 assisted by Henry Hodgson and Sam Belcourt. Second period ended tied 1 to 1.

At 2:49 Jim Feeney broke the

BY DOUG BARNES

tie assisted by Wayne Garding. Then we had 7 minutes of end to end hockey with close checking and good goal tending. But the Eagles were not beaten yet. At 9:16 Eagles' Coach Roland Provencal tied the score. And for another 8 minutes it was back and forth with goal tending being the difference.

Then at 17:03 Henry Hodgson got a pass from Sam Belcourt and Wayne Garding at the Centre line and took off like a rocket through the Westlock defense and beat goal tender Fern Proulx to score what proved to be the winning goal. Final score Rebels 3, Westlock 2.

Westlock is a team to be reckoned with come play offs. Rogeven will be back after a knee injury; Feeney is back after a sick spell; Ray LaPointe was flying again Sunday; Novosel is

playing well and will be back Thursday against the Wetaskiwin Colonels; McGowan, Garding and Davie are doing a fine job on the blue line. Doug Hall, the wizard of the hockey stick is going well. Hemmingway going

Cont. on Page 2

KIN-KAPADES THIS MONTH IN EVANSBURG

Plans are well advanced for the big annual winter event in Evansburg -- Kin-Kapades, to be held this year on February 26, 27 and 28.

The gala event gets underway with a dance on Friday, February 26th which will feature the crowning of the Ice Carnival Queen and Princesses.

Saturday and Sunday events in-

clude hockey games, snowmobile races and at 2:00 p.m. Sunday the ice carnival presented by the Prouettes Skating Club with guest skaters from Edson and Edmonton.

The winter event is an annual undertaking by the Evansburg Kinsmen's Club with proceeds going back into community projects.

Regional Library Board Makes Grant Application

A meeting of the board of the Yellowhead Regional Library was held in the County Office in Stony Plain on Thursday, February 4th.

Present were County of Wetaskiwin No. 10, Mr. J.E. Ware; County of Barrhead No. 11, Mr. Joe Smith and Mr. W. Hryciuk; County of Leduc No. 25, Mrs. M. Bilar and Mr. Jack R. Bland; County of Lac Ste Anne No. 28, Mr. Ken Lomas; County of Parkland No. 31, Mrs. E.P. Howery and Mrs. Eleanor Pickup; Mr. W. A. Klarenbach, Mr. R. A. Bailey, Mr. E.T. Wiltshire and A.W. Boychuk were also present.

It was moved and carried that Mr. R. J. Toews be the second representative on the Regional Library Board for the County of Lac Ste Anne No. 28.

It was moved and carried that it be recommended to the Lieutenant Governor that Mr. W.A. Klarenbach and Mr. R.A. Bailey be appointed to the Yellowhead Regional Library Board.

The Board was advised that application for grant was made to the Department of the Provincial

Secretary. LOCATION OF PROPOSED LIBRARY

The committee reported briefly on the location of the Regional Library. The committee had made quite a thorough study and the results seemed to indicate that most feasible location for the library would be on Highway 16, between the City of Edmonton and the Highway 43 junction.

It was moved and carried that the Committee appointed at the last meeting be instructed to continue with the study regarding a suitable site or sites for the proposed library and submit a report and recommendation to the next meeting.

Mr. Joe Smith was elected as Vice-Chairman and Mr. A.W. Boychuk as Interim Secretary-Treasurer.

Ministry, Davidge & Co., 1410 Cambridge Building - 10024 Jasper Avenue, Edmonton 15, Alberta were appointed as Auditors for the Regional Library for the coming year.

It was moved and carried that

the Secretary-Treasurer with either the Chairman or Vice-Chairman be the signing authorities for the Regional Library Board for the coming year and that the banking for the Regional Library be done through the Provincial Treasury Branch in Stony Plain.

It was moved and carried that the Chairman, Vice-Chairman and Mr. R. A. Bailey be authorized to act as a committee for the following:

(a) prepare a job description for the librarian.
(b) advertise for a librarian.
(c) screen the applications and recommend 4 or 5 applicants for the position, to be interviewed by the Board as a whole.

The Committee was instructed to draft the job description for the Librarian in accordance with the guidelines mentioned during the general discussion.

Next meeting will be held in the County Office in Stony Plain on Friday, March 19th at 10:30 a.m.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, FEBRUARY 10, 1971

Council Meets in Regular Session

At the regular meeting of Town Council held on Thursday, January 28th, Public Works Chairman Councillor Bob Huber advised council that Town Engineer W.G. Tuttle had tendered his resignation.

Council accepted the resignation with regret and to fill the vacancy created by Mr. Tuttle's resignation, instructed the Secretary-Treasurer to advertise in Alberta, Saskatchewan and Manitoba papers for an engineer to fill the position.

A delegation from the Snowmobile Club attended the meeting and discussed the program of driver examinations. Testing of drivers who don't hold motor vehicle operator's licenses was to start February 6th and continue on February 13th and 14th.

Council approved the testing program outlined and authorized the appointment of Dan Gregor, Matt Leake, Gary Lindahl and Art Munro as driver examiners.

Acting on the recommendation of the Development Committee, Council authorized the rezoning of Lot 13, Block 6, Plan 2151 KS (behind Heidi-Ann Apartments) from high density residential to industrial to permit construction of an office building. Council ordered the necessary advertising to meet legal requirements.

Councillor Claude Albert, Re-

creation Chairman, reported that the Minor Hockey Association had requested purchase by the town of trophies valued at \$200. for Minor Hockey Week awards. Council refused the request.

Council discussed briefly the problem and legal aspects of trailer hitches infringing on lanes and trailer ends over the boulevards. The matter is to be referred to the sanitary engineer of the Edson Health Unit.

Ralph Jespersen Nominated in Stony Plain

At a Social Credit nominating convention in Stony Plain on January 23rd, M.L.A. Ralph Jespersen was again selected to carry the party colors in the next provincial election.

In accepting the nomination Mr. Jespersen gave his assurance of a very real concern for all residents of Alberta as well as those of his constituency. He spoke of present concerns as they relate to agriculture, social development, taxes, education costs, and rural and urban development problems.

Champion Skater To Visit Here

Petra Burke, the 1967 World Champion Figure Skater will visit the Drayton Valley arena on February 20th.

Miss Burke is visiting various clubs in the province and has expressed a wish to meet with as many young figure skaters as possible. This well-known figure skater will not be able to perform during her short visit but will go out on the ice area with the skaters from the figure skating club.

Wildwood Elks Klondike Days

The Wildwood Elks Club is now busy with plans for its eighth annual Klondike Days to be held in the Wildwood Hall on March 5th and 6th. The event is billed as the original warm-up for Edmonton's world-famous Klondike Days.

Family night, Friday, March 5th will be highlighted by the queen crowning ceremony. Costume judging contests and dancing will round out the evening.

A feature of Saturday's adult program will be the Grand Klondike Costume Ball. Games and prizes will again be a part of the evening's entertainment.

ROCK CLUB MEETING

Regular meeting of the Drayton Valley Rock Club will be held in the Town Hall at 8:00 p.m. on Wednesday, February 10th. All interested are invited to attend.

Naming of the club is scheduled for the evening and name suggestions are requested.

Chamber Faces Disbanding

Ten members attended a meeting in the Cardium Room Thursday noon, scheduled as the annual meeting of the Drayton Valley and District Chamber of Commerce. An attempt to hold the annual meeting in January was attended by only four members.

Thursday's small attendance prompted considerable discussion on disbanding the group and the matter of election of officers was left in abeyance.

A committee was named to approach the Retail Merchants' Association to discuss the problem prior to a decision to re-activate or disband the chamber.

Announce Promotions

Assistant Commissioner V.M. Seppala, commanding K Division, R.C.M.P., has announced non-commissioned officer promotions in the Edmonton area.

Among those promoted were Corporal Brian Thorstad of Drayton Valley to Sergeant and Constable Jim Bramhill of Stony Plain, a former member of the Drayton Valley Detachment, to Corporal.

Rebels Take League Lead

Cont. from Page 1

well even after driving every weekend from Wainwright; Gary Haack coming out of retirement and giving Yeoman service. Rick LaPointe and Lou Hendrickson are getting better every time out and Lorne Foster and Barry Pankewicz are giving us good solid goal tending. Belcourt and Hodgson seldom have a bad game. The way I see it, if the Rebels skate they can win it all.

Hats off to a couple of juveniles that came out and helped us this weekend, Lorne Regnier and Dave Smith. The boys did a fine job.

The Rebels have 5 games left. Three at home and 2 away from home. They are: --

Thursday, February 11th, Wetaskiwin at Drayton Valley.

Saturday, February 13, Stettler at Drayton Valley.

Sunday, February 14, Drayton Valley at Stettler.

Thursday, February 18, Drayton Valley at Camrose and

Sunday February 21st, Fort Saskatchewan at Drayton Valley.

There are only three more chances to get in on the trip to Vancouver to see the Detroit Red Wings and Vancouver Canucks play March 9th. Ten ticket numbers are drawn from the stubs every game and put in a sealed container and on February 21st the last league game, one name will be drawn and that name will be awarded two tickets to Van-

couver with transportation and two tickets to the Redwing-Canuck game. A chance to see Gordie Howe and company.

Rebels Individual Points Scoring Including February 7th Games

	Goals	Assists	Pts
Sam Belcourt	35	41	76
Henry Hodgson	26	25	51
Frank Roggeveen	8	30	38
Ray LaPointe	15	12	27
Jim Feeney	17	7	24
Dan Davie	6	13	19
Frank Novosel	8	8	16
Doug Hall	3	13	16
Wayne Garding	1	13	14
Ron Hemmingway	4	8	12
Terry McGowan	2	7	9
Rick LaPointe	4	3	7
Lou Hendrickson	2	4	6

-- Games played - 25

-- Goals For - 138

-- Goals Against - 110

League Standing Including February 7th Games:

	GP	W	L	T	Pts
Drayton Valley	25	17	8	0	34
Camrose	25	16	9	0	32
Ft. Saskatchewan	27	14	12	1	29
Wetaskiwin	24	13	11	0	26
Wetaskiwin	24	9	15	0	18
Stettler	25	5	19	1	11

Tickets are now on sale for the Rebels hockey club 4th annual trailer raffle. Included in the prizes besides a holiday trailer, is an automatic dish washer and a full set of golf clubs with bag and cart. Only 500 tickets sold at \$10.00 per ticket. Draw to be made May 1, 1971.

D. V. Highlights

BY MRS. EDITH DEBY

On Valentine's Day Mr. and Mrs. Tom Hutton will celebrate twenty five years of marriage. The Huttons son-in-law and daughter, Mr. and Mrs. Ray Frey and their son, Thomas, and the Freys two children will be on hand for the occasion. There are four Hutton children at home. Congratulations and best wishes for many more happy anniversaries, Mr. and Mrs. Hutton.

Shall we be seeing you at the Royal Purple Tea on February 13? An interesting feature of the occasion will be the raffling of an Artex Tablecloth donated by Mrs. Jack Heyland. All money raised will be donated to the Purple Pansy Building Fund.

Good wishes for an early recovery go to Mr. Leslie Brown who has had an operation.

Mrs. Elsie Dressler had a good flight to Hay River and a pleasant visit with her son and daughter-in-law, Mr. and Mrs. Ricky Dressler. Ricky says "Hello" to his friends in Drayton Valley.

Mr. and Mrs. Curtis Fagervold left on Sunday for month long holiday in several countries in South America.

Gordon Pickup, who is in his third year in the U. of A., was home for the weekend with his family.

Whist winners at Dunington Hall on Saturday evening were: High -- Mrs. Frank Hoge and Mr. Otto Stordalsvoll. Low -- Mr. and Mrs. Clarence Dunington.

On Tuesday evening Louis Mattson's friends gathered at his home to help him celebrate his eightieth birthday. Best wishes for many more happy birthdays, Louis.

Mr. and Mrs. Helmut Wiechert and Bruce, were here from Edson to spend the weekend with Helmut's mother, Mrs. Olga Wiechert.

Mrs. Kenneth McKenzie has resigned and will be leaving her job in the Town Office in the middle of February.

Mr. and Mrs. Jim Schurman spent the weekend with Mr. Schurman's parents, Mrs. Schurman is in her third year in dentistry at the University of Alberta. Mr. Schurman will be attending next year.

Sorry to hear that Emie Jensen, of Rocky Rapids, is in hospital.

The ski slopes must be the most popular place in town lately. On any fine weekend one may see Al McKillop busy with his classes. This enthusiastic instructor will

never be satisfied until he has the entire population of the town on skis.

Roll up your sleeve to save a life...

Report From Parliament Hill

By Allen Sulatycky, M.P.

Filibusters in Parliaments or Legislatures are nothing new. All Governments face them from time to time.

Generally, a filibuster is defined as the use of a delaying tactic, especially time-consuming speeches, by a member of a minority party in an attempt to prevent passage of a Bill.

It is sometimes difficult to mark the point where genuine debate stops and a filibuster begins. Almost all legislation is subject to some element of delay, and Parliaments have therefore come to expect the process of legislation to take somewhat longer than often appears necessary.

Usually the Opposition in a Parliament will cause a debate to be drawn out when it attempts to bring public opinion to bear on the Government to change a proposed item of legislation. Often Governments will succumb to such tactics in order to expedite other legislation which is being held up. During the course of a filibuster no other business can be transacted by Parliament. The filibuster is like the cap on the bottle. Once the Government has given way to the demands of the group filibustering, then Parliament can turn out its legislation normally.

At the end of last week it was becoming apparent that a filibuster of some magnitude was developing in Canada's Parliament; but it appears to be an unusual filibuster indeed.

The legislation being held up is the Government Reorganization Bill. This legislation will result, if passed in the following:

1. A new Department of Environmental Control;
2. Up to five Ministries of State, as from time to time required, in special circumstances;
3. A separate Post Office Department;
4. A Parliamentary Secretary for each Minister, and,
5. Improved pension provisions for certain categories of civil servants.

Bantams Win Provincial Series With Edson

D.V. Burrows Motors Challengers travelled to Edson last Saturday to start the Provincial Bantam "B" playdowns. The locals came up with a great display of skating and positional hockey and came off the ice with a 12 - 0 victory. In provincials, the 10 goal win applies and Edson decided not to come back for the second game of the two-game total point series. The Challengers now await the Hinton-Jasper series winner. Scoring for Drayton were Darcy Galvin, 3; Jerry Hook, 2; Ron Reich, 2; Tom Sharkey, 2; and Cameron Selin, Dean Samis and Mike Koebemick with 1 each.

Don McRae registered the shutout. 22 penalties were handed out and Drayton Valley outshot Edson 48 to 6.

This is one of many minor hockey teams playing fine hockey and providing good entertainment for local fans. Please watch for posters and street signs of forthcoming league and provincial playdowns and support your local, boys and come out and wish them luck.

Summary Regular Meeting Parkland School Committee

Minutes of a meeting of the School Committee of the County Of Parkland No. 31 held in the County Office on Tuesday, February 2. Minutes as recorded by the secretary and not yet adopted.

Present were Messrs. George Mann, J. W. Tyler, L. N. Miller, R. Zander, R. A. Bailey, Peter Bakker, R. Lent, Ivan Vowh, Don Gylander and Mrs. A. C. Kritzinger, School Committee members, also Superintendent of Schools, Mr. M. Holman and Assistant Secretary-Treasurer, A. W. Boychuk.

It was moved and carried that all School Committee members that so wish, the Superintendent and Assistant Secretary-Treasurer, be authorized to attend the A.S.T.A. Administration Seminar to be held in the Chateau Lacombe in Edmonton on March 25th, 26th and 27th, 1971.

It was moved and carried that Felix Knor be advised that the County does not plan to purchase another truck for school maintenance at this time.

It was moved and carried that Chris Astle's resignation as assistant janitor at the Stony Plain Junior High School be accepted effective January 23, 1971.

It was moved and carried that Mr. Frank Burton's appointment as assistant janitor at the Stony Plain High School at a salary of \$120.00 per month, effective January 25, 1971, be approved.

It was moved and carried that the School Committee accept the following recommendations of the Superintendent of Schools: (a) that Mrs. Donna Cowan's resignation from the Stony Plain Upper Elementary School, effective April 19, 1971 be accepted, (b) that Mrs. Shirley L. Collard's

resignation from the Stony Plain Elementary School, effective February 26, 1971, be accepted, (c) that the assistant to the librarian at Memorial Composite High School be retained to June 30, 1971 and that an assistant (1/2 time) to the librarian at the Upper Elementary and Junior High School be engaged.

It was moved and carried that the School Committee accept the recommendation of the Superintendent of Schools to make suitable space available for the Survey - "Nutrition Canada" to be conducted in September, 1971. BUILDING REQUIREMENTS SPRUCE GROVE

It was moved and carried that top priority be given to building requirements at Spruce Grove Elementary School, as recommended by the Superintendent of Schools, and that this situation be studied in the light of future developments in this area. It should also be included in the scope of the Survey team.

It was moved and carried that the Superintendent's report and recommendations be accepted.

It was moved and carried that the School Committee adopt the following policy on financing used school buses:

- (a) Buses up to 4 years old -- 40% down payment required, County will finance 60%.
- (b) Buses from 4 to 8 years old -- 50% down payment required, County will finance 50%.
- (c) Buses 8 years old and over -- no financing will be provided.

DRAYTON VALLEY DELEGATION

Mr. Allan Home and Mr. Roman Kowal of the Drayton Valley R.C.S.S.D. No. 111 came

to see the School Committee regarding a proposed tuition agreement for the combined facility for Home Economics and Industrial Arts at Drayton Valley.

Members of the Drayton Valley Board are of the opinion that the Senior High School enrolment should be considered in the calculation and this would make their share considerably lower.

After considerable discussion Mr. M. Holman was instructed to revise the computation of fees to be charged and to present it to the Drayton Valley Board for approval. If and when accepted this would be appended to and become part of the existing agreement.

The meeting re-assembled after lunch at 1:20 p.m. with everybody present including Mrs. E. P. Howery.

INCREASE IN RATE SCHOOL BUS OPERATORS

The following letter was received from the executive of the School Bus Operator's Association requesting an increase in rates and other matters pertaining to school bus operation:

"A meeting of Western, Central and Eastern bus operators of the County of Parkland No. 31 held at Seba Beach, in the Home Economics Room was brought to order at 7:00 p.m. on January 21, 1971.

There was thorough discussion on four major items:

1. The deduction of 2¢ a mile for pavement operation. Operators feel that this is not justified due to Highway loading and the safety risk involved in doing so.
2. Weather Policy. Operators agree that the County should come up with a maximum temperature in winter namely 35 degrees, 40 degrees, 50 degrees, etc. below zero when bus operation should cease automatically.
3. Special Trips. Operators feel that the County has decreased the rates for special trips to the extent that they do not wish to make any trips at these rates. It also makes it inconvenient for principals when asking for a bus to make a trip and no one wants to go.
4. Salary Increase. Operators feel that due to increased operational, purchase and depreciation costs as listed below that a request be made to the County for

MAGNOLIA NEWS

Orris and Dorothy McWillis welcomed a brand new little grand-daughter on January 27th. This little miss arrived safely at the General hospital in Edmonton. She weighed seven pounds and eight ounces and is named Carla. Her happy parents are Vivian and Ralph Platts.

Allan and Brenda Walker hosted a whist party over the past weekend with four tables being used. The prize winners were as follows; gentlemen; first Dave Armstrong second Len Williams; Allan Walker won the travelling prize and John Brown got the booby. The lucky ladies were Brenda Walker with first, Mrs. Christensen second; Ruby Brown won the travelling prize and Norma Williams won the booby prize. A very enjoyable evening was spent by all present.

Tom and Doreen Thomas accompanied by Mrs. Smith of Lake Isle recently travelled to Montana for a short visit with relatives. They were away about four to five days.

Don and Connie Rose celebrated their second wedding anniversary on Sunday, January 31st. Best wishes are extended to both of you from all your friends.

Birthday greetings go to Mr. Fritz Gylander who has February 4th as his special day.

Glynn and Maxine Rom have returned to Jasper where Glynn is once again able to resume his work.

Mabel and Ralph Wawter of Fenlac, Saskatchewan visited with Orris and Dorothy McWillis for the last week of January. Orris and Mabel are brother and sister.

EVANSBURG NEWS

The recent heavy snowfall has no doubt left everyone else shovelling more than they wanted, just the same as us. Let us hope that there won't be too much more to shovel.

The United Church wishes to announce that it will hold a Baptism service on Sunday, February 14th at 11:00 a.m. Please note the time change for services for that day.

Get well wishes go to Mrs. Leschinski who has been hospitalized in the Drayton Valley hospital.

It is nice to see that Mrs. Greaves is now back home after an extended visit to Fort St. John and Edmonton.

The Junior and High School students celebrated the break between semesters with a tobogganing party on February 2nd. Every-

one reported having had a wonderful time, and all are now back to work until June.

The 16A 4-H Tractor Club held its regular meeting on February 3rd.

Pembina District Scout Council held its regular meeting the fourth Thursday of January. Many items were discussed, among them the forthcoming fifth Alberta Scout Jamboree to be held in the summer at Sylvan Lake and the annual Council Camporee to be held the last part of May. Problems of several groups were also discussed and various solutions to these problems were offered.

Hockey and figure skating are in full swing now, especially figure skating classes as a carnival is planned for the last part of February.

DRAYTON VALLEY ANIMAL CLINIC

NOTICE TO CLIENTS

The Office will be Closed from SATURDAY, FEBRUARY 13 to MONDAY, FEBRUARY 22 as Dr. Morden will be attending a Short Course in Colorado.

TOWN OF DRAYTON VALLEY

NOTICE

It is brought to the attention of all householders in Drayton Valley that there is a very real danger from Sewer Vents becoming blocked because icing conditions during the winter period -- particularly during the extreme low temperatures we have been experiencing.

It is recommended that you check your sewer vent where it comes out of the roof and ascertain that it is not blocked. Also while on the subject of sewers -- remember that for those of you who have drains in the basement be sure there is some water visible in the drain at all times as this provides the sealer to prevent sewer gas backing up and getting in by way of your basement drain.

Revised Statutes Now Available

The Revised Statutes of Alberta a compilation of all existing provincial laws, were signed last week by Lieutenant-Governor J.W. Grant MacEwan and Attorney-General E.H. Gerhart.

They will be proclaimed in force by the Lieutenant-Governor in Council March 1st.

This is the fourth revision of the Statutes since Alberta became a province. Previous revisions were published in 1922, 1942, 1955.

Prepared by the office of the Legislative Council, the six-volume 5,962 page set took two years to complete. Copies are available from the office of the Queen's Printer, Edmonton.

After each session of the Legislature, an appendix is published containing all new laws and amendments passed during the session.

Paper towelling used instead of cloth when cleaning windows will do a better job, with less effort on your part, and leave the glass sparkling.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Only twice in Alberta's 66-year history has the Liberal party exerted measurable force in provincial politics. And chances are slim that the coming decades will see a third Liberal surge.

The party made an auspicious start in Alberta, but has consistently failed to dominate provincial politics, even though federal Liberals have governed Canada for all but 22 years of the century.

When Alberta was made a province, the federal Liberal government took the partisan step of ensuring the foothills province was blessed with a provincial Liberal administration -- even before the first election was held.

Alex Rutherford was named premier on September 2, 1905, so that the November 9th election that year was little more

than a formality for his Liberal administration.

By 1921, Albertans were ready to voice their discontent with the scandal-prone Liberal administration. The United Farmers of Alberta swept to power, and consigned the Liberals to the scrap heap.

Since that time, provincial political power in Alberta has rested in the hands of prairie populists proud of the fact they are not tied to the aprons of "old-line" federal Liberal or Conservative forces.

The Liberals lay dormant in Alberta until the late 1940s and early 1950s when they rose to challenge the Social Credit government of E.C. Manning. But the assault, primarily centred on negative issues, petered out after Harper Prowse (now an Alberta senator) left the scene.

Today, the party is at low ebb. By mid-March, it will have its fifth leader in the past seven years. The new man may or may not receive a salary for his efforts, and he faces the prospect of a sound drubbing at the polls this spring.

The Liberals are still saddled with too many lawyers, too many executives, too many patronage seekers. Even though Lethbridge physician W. J. Cranley failed to win the party presidency recently he summed the Grit party up pretty effectively when told party members their organization is "The laughingstock of all political parties in Canada."

The successful candidate for president, Edmonton alderman, B.C. Tanner (a chartered accountant by trade) is determined to swing the Liberal philosophy "to the left" so that the party can fill a vacuum between the New Democrats and the two major parties.

He faces an almost impossible task. The Liberals have lost credibility, and their continuous string of internal quarrels has diverted the membership's attention away from serious study of policy matters. Their draft election platform remains a confusing often - inaccurate collection of policy ideas. And there are no Liberals in the legislature at Edmonton.

For a time, at least, the Liberals will be united. Provincial elections have a habit of bringing party factions together for a time. And when a minor party such as the Liberals is clobbered at the polls, discontent again surfaces.

And the unhappy, divisive cycle begins again.

LETTERS

TO THE
EDITOR

Editor,
The Western Review

Dear Sir:

The statement you made, that the Chamber of Commerce is an instrument of community progress from coast to coast is definitely a true fact.

Another true fact, which many of us seem to overlook is that the Chamber of Commerce, like many organizations, die; not because there is lack of interest in so far as it's members are concerned, but because the time in which these meetings are held.

I was approached and asked if I would like to become a member of the Chamber of Commerce, but shamefully had to hesitate, somewhat, before committing myself. Not because I was afraid to sacrifice some of my leisure time, but because of the time of day in which the meetings were being held.

As long as I have lived in Drayton Valley the Chamber of Commerce has always held its meetings in the afternoon and always

on a work day.

There are not many people, I am sure, who can not afford to give up a half day's work for the sake of a meeting.

I would say that if the Chamber of Commerce wishes to be effective in this community, it may have to change the time of the meeting from afternoon to evening. I'm inclined to believe that most members would show up for the meetings.

Before we think of making Drayton Valley a bigger town in which to live, is it not possible for those responsible, to compromise just a little? Not just for those who are members, but also for those who would like very much to become members.

Mr. Duncan L. Mills

Editors Note --

We must point out that the writer above is not quite correct in the matter of meeting times. The meetings are usually held at noon, and if business moves briskly are finished by 1:00 p.m. or shortly after.

Editorial Comment

"Good Enough" Isn't

We've become a "good enough" nation and following a sad path to decay. "Good enough" is far from being what the term implies and all Canadian should be concerned about the long-range results of this philosophy.

Many manufactured products are "good enough" but the knobs fall off almost as soon as you get them home. Most craftsmen are a far cry from what that title implies. Pride in workmanship and accomplishment has long gone and most workers are satisfied to do their job only well enough to qualify for a day's pay. Services in many cases seem only "good enough" to keep us from protesting.

We don't suggest you get out and join the mob carrying placards and throwing rocks -- but all Canadians should be protesting. You should protest poor service and shoddy products that ask for good money -- you should protest governments that mollycoddle loafers and deadbeats -- you should certainly fight about the insidious drug scene that is rotting the brains of young people who are supposedly the cream of the nation.

Your protests should start at the municipal level and go all the way to the top. As a nation we just have to start caring. And doing something as individuals to help cure the ills of this country that appears to have started downhill, without yet reaching the top.

Change in the Wind

Men have long laughed -- or cried when the bills arrived -- at the annual change in women's fashions dictated by whimsical designers. We have watched with fascination plunging necklines and wandering hemlines and breathed a sigh of relief when a large portion of the feminine world stuck by their minis and brushed off the midis and maxis decreed by the moguls.

Good for the girls! But the men can stop laughing -- we're about to be suckered in by the eastern clothing dictators. No sooner have we become accustomed to wider ties, broader lapels and longer jackets, than the industry begins making plans to scuttle at all and bring back skinnier ties and shorter jackets.

Most of us were satisfied and felt like fashion plates in our 1955 skinny ties and button-down collars, but birthdays and Christmas gradually got us around to the wider version -- and now that we enjoy the big knots and wild colored shirts it's all about to go down the drain.

Change is great but how rapid should it be? Give us a few more years with our new look and we'll be ready for a change again.

Rabbits Again

Edson and district has its usual share of unemployed this winter, but nowhere to the extent of that experienced in some other parts of Canada. Whether the anti-inflationary steps taken by the Trudeau government have done it to us or not is also being debated.

But what really shook us was a brochure in this week's mail, telling how we could get "financial security for city people and farmers and ranchers alike."

Raising chinchilla rabbits "could pull you out of your paycheck rut!" the pamphlet informs us.

And this has really put the cap on our fears about the possibility of another depression. It was in the early thirties that Canadians were being urged to solve their depression problems by raising chinchilla rabbits.

Our family in Saskatchewan tried it. It took us a few months to realize that two male rabbits wouldn't produce little fur bearing animals. Then, when we finally got some young ones, most of them died and the market got depressed too, when ladies couldn't afford fur coats.

We hope that it isn't a sign of the times -- raising chinchillas again, that is.

-- The Edson Leader

RED CROSS
IS ALWAYS THERE
WITH YOUR HELP

Warriors Post Double Victory

The FMHS Warriors basketball club is wounded but still kicking as they battled to two come-from-behind victories over the weekend. The first game was a 62-47 victory over Stony Plain to maintain their first place position in the Western Conference of the NCHAA league with a six wins, one loss record. The other was a 51-46 victory over Edson Parkland Composite High School.

In the Stony Plain contest the deadly shooting of Larry Mattoon and persistent play enabled the Warriors to come from a half time deficit 27-24 to go ahead 42-38 at the end of the third quarter and then to run away with the game in the last quarter outscoring Memorial High 20-9.

Larry Wall, the High School sports representative, dressed for this one and added a lot of hustle to the team. He will be with the Warriors in their conference championship game against Concordia College on Friday night and with the team at the regional championships in Edson on February 20th. He did not play in the Edson game on the weekend. Also joining the Warriors in the two weekend games was Parry Mohn who also played extremely well.

As Larry Mattoon led the Warriors with a 33 point game on Friday it was Barry Swap who was on target in the Edson contest as he hit for 23 points followed by Parry Mohn with 8. Rebounding well in both contests was Jim McKillop for the Warriors.

Marvin Melnichuk returned to the Stony Plain Club and sure made things tough for the Warriors, as he hit for 21 points and made it tough in the first half as he scored 14 of these.

This was also a foul infested game with 57 fouls being called in total. The Warrior team shooting also improved to 30% in this one.

Some good news for the Warriors was that Gerald Dusterhoft may be returning to action before the season's end.

The big game with Concordia College has arrived and will be played this Friday at the Frank

Maddock High School. Warriors play at 7:30 and the Warriors at 9:00 p.m.

Two good junior games are on tap this week as Winfield and Thorsby teams come into Drayton Tuesday and Wednesday night, the girls playing at 7:00 p.m. and the boys at 8:30.

The Junior Warriors have just come through two fine last minute victories this past week against Calmar and Warburg and will be trying to extend their Pembina League win streak and play the role of spoilers for the remainder of their league schedule.

The junior squad has developed into an exciting club under their coach Jerry Rockwell and deserve our support in these games and in their up and coming tournament.

Plan Classes at Entwistle

The following classes will commence the week of February 15th. Registration for classes will be taken on the night of the first class.

SEWING CLASS

2 advanced, Thursday, February 18th, 8:00 p.m. to 10:00 p.m. Fee \$5.00. Teacher is Betty Sparrow of Wabamun.

KEEP FIT

Monday Evansburg High School 7:30 -- 9:30 p.m. Fee \$5.00. Teacher is Sandra Blades.

MOTHERS DAY OUT

Tuesday February 16th, Entwistle Recreation Bldg. 2:00 p.m. Fees \$1.00 per adult. Pre-schoolers will be cared for at 25¢ per child. Georgianna McDavid, the District Home Economist will be attending most meetings. Rug making is hoped to be included in the Mothers Day Out. Rosemary Hoffmann will be teaching rug-making. The planning meeting

is the same as the first lesson.

ARTS AND CRAFTS

For children -- Thursday, February 17th, Entwistle Recreation Bldg. Time 4:15 to 5:15 p.m. Fee \$1.00. Age 6 years and up.

PHYSICAL CULTURE

Monday, February 15th, 3:30 p.m. to 4:30 at the Entwistle

School and Wednesday, February 17th, 4:00 to 5:00 p.m. in the Evansburg High School. Fee is \$1.00. This class is simple exercises and dances for boys and girls 4 years to 8 years old.

Any information can be received from Mrs. John (Sandra) Blades, Phone 727-3776.

We choose our barley malt as carefully as you choose your beer.

"Good enough" malt just isn't good enough for Calgary Export Lager Beer. So our brewmaster, who loves his beer, selects his barley malts with the devoted care of a true connoisseur. Are they properly crisp yet tender? Have they the right, slightly mellow flavour? Our brewmaster won't take no for an answer. He won't compromise on the ingredients that go into his

beer, so you won't have to compromise on the flavour that pours out of every bottle of Calgary Export Lager. It's good. Always good. Because we're not satisfied with just "good enough".

Below, Brewmaster A. J. Kerr and Assistant Brewer R. Piesanen visually inspect malting barley before lab quality tests begin.

BURTONSVILLE NEWS

Weekend visitors at the Adrian Charlet home were Mr. and Mrs. Len Ratke and family, Adie Charlet and her roommate Bernice Lang of Edmonton.

Mary Tattersall has been down with the flu.

Rev. John Kennedy is attending the Pastors' Retreat held at the School of Fine Arts in Banff February 1st to 3rd.

Jim and Theresa Miller and Eleanor Osbak of Edmonton were weekend visitors in this area.

Revival services held at the Burtonville church ended January 31st. Rev. Hobbs gave inspiring messages which were enjoyed by all who attended.

Snow was so deep here last Friday that many cars were stalled along the roads.

Wilfred and Octa Tyler have arrived back home in Riding Mountain, Manitoba. They found the weather there equal to Alberta's cold 30 below nights.

On January 30th some people from this area attended a house warming party held for Bill and June Wiedemann of Edmonton.

Regular Meeting School Committee

Cont. from Page 3

an overall increase of 6% in accordance with the Governmental hold the line policy.

January 1970 to December 1970:

Parts increase 10%; Labour increase 6%; Gas increase 14¢ per gallon. Drivers wages increase \$1.35; purchase price of new equipment and depreciation increased 10%.

It was moved and carried that the School Bus Committee, Mr. M. Holman and A.W. Boychuk be authorized to meet with the School Bus Operators to discuss their request for an increase in rates for everyday operation and for special trips.

MEETING WITH BUS OPERATORS

Mr. M. Holman presented the following report on a meeting held with the school bus operators at Seba Beach on Thursday, January 21st. Meeting held at Seba Beach School Auditorium with School Bus Operators from west end of the County.

Mr. Mann introduced Mr. Holman, Superintendent of Parkland Schools, who then chaired the meeting. Mr. Holman introduced Mr. Kozyra from Government of Alberta School Bus Inspection Branch. Mr. Holman introduced 7 principals present. Mr. Kozyra spoke briefly on bus problems. Mr. Vowk discussed bus regulations.

Suggestions for additions to regulations: Dress of pupils (winter); waiting for buses; children being transferred from St. Anthony's Separate School; parents bringing

children to school in cars; and buses leave school when bell rings.

Mr. Mann covered contract. Discussion included: If a bus driver loses his license for a violation, does he lose his contract?

Pay: 190 days guarantee, 10 days at 2/3. what about pay if because of an epidemic the schools were closed for 30 days.

Wages: Mr. Holman suggested that drivers present a brief to School Committee.

Eliminate the deduction for travelling on pavement.

Special trips.

Mr. Don Wickware spoke briefly on the School Bus Handbook.

Discussion of the following routines: monthly reports; supervision of loading and unloading; registration and allocation of new students to bus routes; and emergencies, communications, miscellaneous.

Present were 29 drivers, seven principals, three board members, Mr. Lent, Mr. Vowk, Mr. Mann, and Superintendent, Mr. Holman.

TUITION AGREEMENT YELLOWHEAD SCHOOL DIVISION

Mr. M. Holman reported to the School Committee that on Thursday, January 28th he was invited to attend a meeting in Seba Beach at which over 100 people were present. The majority of those present were opposed to the proposed tuition agreement with the Yellowhead School Division for High School purposes. The meeting gathered in response to the following letter, copies of which were sent home with the Seba Beach school children:

Dear Parents and Rate Payers:

1. "In 1968 a Regional High School Board was formed to search for ideas and find ways to offer a high school education for the students in the West end of Parkland and the east end of Yellowhead counties.
2. In 1968 Parkland contributed over \$3000.00 to this venture.
3. In 1969 Parkland contributed \$6100.00 to this venture.
4. A plebiscite was held on a debenture issue to construct a new school costing \$1,300,000.00. This plebiscite was defeated.
5. Legal action by some rate-payers had the results set aside.
6. The second plebiscite was defeated by a wider margin than the first.
7. In the fall of 1969 the Regional High School Board received permission to disband.
8. Yellowhead then publicized notice of intention to borrow the money to proceed on their own.
9. Rate-payers of Wildwood filed motion to force another plebiscite. This motion was denied by the courts.

10. Meanwhile, Parkland School Committee had already decided to send more than 150 high school students to Yellowhead, in order to supply their required enrolment to qualify for Foundation Grants.

11. Yellowhead needs 350 to 400 students in order to qualify for loans under the School Foundation Program.

12. Yellowhead states they will have 352 students. We believe this figure is exaggerated.

13. On January 20th Parkland announced Seba Beach High School will not resume at Seba in September of 1971.

14. On January 22nd several rate payers in the Seba area gained access to the Community Hall for a meeting.

More information has now been gathered and it is most urgent that interested parents be in attendance at a meeting on Thursday, January 28th at 8:00 p.m. sharp in Seba Beach Community Hall.

The School Committees of Yellowhead and Parkland are now trying to accomplish that which was legally defeated in another form in two plebiscites.

Please make every effort to attend this meeting as it may be your last chance to voice your opinion on this important matter.

H.M. GRANDE
Committee
Chairman

Mr. B.A. Chandler, Superintendent of Schools for the Yellowhead School Division, came to the meeting at this time. He brought with him sketch plans of the proposed school in Evansburg. He presented information concerning the size of school to be built and the program that is being planned.

SEBA BEACH DELEGATION

Mr. H. M. Grande, Mr. A. Reich, Mr. F. Schymizek, Mr. Eric Gardiner and Mr. Jim Dean of Seba Beach, together with Solicitor, Mr. Gordon Wright of Edmonton, came to see the School Committee regarding the proposed tuition agreement with the Yellowhead School Division for the children from the north-western area of this County to attend high school in Evansburg.

The delegation voiced very strong objection to the proposed tuition agreement and demanded that other possibilities be explored. The delegation was of the opinion that the High School Program in Seba Beach is adequate and that the facilities at that centre be upgraded.

This matter was discussed at great length and the delegation was assured that the School Committee will explore and consider the matter very carefully before making a final decision.

It was moved and carried that Messrs. Don Gylander, Ivan Vowk, R. Zander, George Mann and M. Holman act as a committee to arrange for meetings in the west end of the county to discuss the Seba Beach problem with the electors.

It was moved and carried that Mr. R. Zander and the School Bus Committee be authorized to review the applications for the Walter Ditchuk school bus and route and submit a recommendation to the next meeting.

GAINFORD NEWS

Mr. and Mrs. Sam Cooper and family of Rich Valley were recent visitors with Mr. and Mrs. Harry Clarke and Billy.

Mr. Emil Miller and Gordie were home for a few days from High Prairie.

Sympathy of the district to Mr. and Mrs. Bill Kereluk on the recent death of Bill's aunt, Mrs. E. Kereluk of Two Hills.

A recent visitor with Mr. and Mrs. Neil Vance was Joan's mother Mrs. Alice Hindman of Regina.

The annual meeting of the Gainford Community Society was held February 1st. A new slate of officers was elected for the coming year with Mrs. Janet Hauser as President; Mrs. Joan Kereluk Vice President; Mrs. Marie Butts Secretary and Jim Millar Treasurer. Recreation board members are Mr. and Mrs. Jim Hauser, Mr. and Mrs. Colin Thorburn and Mr. Jim Millar.

The team with Elsie Thorburn skip, Maxine Anderson third, Margaret McLean second and Joar Kereluk lead, won first in the second event in the Ladies Bompel held in Entwistle January 30 and 31st.

Parkland Notebook

Parkland Regional Recreation Department held its 2nd Annual Mite Hockey Tournament on January 30th and 31st, at the Stony Plain Arena.

Eight communities were represented and they were Enoch, St. Albert, Onoway, Wabamun, Fort Saskatchewan, Devon, Evansburg, and Stony Plain. These clubs participated in a modified double knock-out tourney which means if you lose your second game or any game thereafter you are eliminated from the tournament.

The hockey was most entertaining with all the players, coaches, managers and spectators becoming most enthusiastic.

On Saturday, January 30th, each club played a warm up game and the scores were:

Stony Plain "A", 6 -- Onoway "Reds", 2; Enoch "Jets", 5 -- Wabamun "Mites", 2; Devon, 1 -- Evansburg, 0; Stony Plain "A" 4 -- St. Albert "K" of C", 2.

On Sunday when the elimination of teams started the scores were:

Fort Saskatchewan, 4 -- Stony Plain "A", 3.

This game was decided by penalty shots as both teams were tied at the end on regulation time.

St. Albert "K of C", 4 -- Devon, 2; Enoch, 12 -- Onoway, 1; Wabamun, 3 -- Evansburg, 2.

In the semi-finals, Fort Saskatchewan eliminated Enoch by a 5 - 0 score and St. Albert, the defending champions, defeated Wabamun 6 - 1.

The finals saw Fort Saskatchewan defeat St. Albert 4 - 1 in a good, fast hockey game with both clubs having opportunities to score but the Fort took advantage and came up deserving winners.

The hockey and sportsmanship of all teams was outstanding and that's what Minor Hockey is all about.

COUNTY OF PARKLAND No. 31

INVITATION TO TENDER

SEALED TENDERS with the words "Tender for Construction of Junior High School, Stony Plain, Alberta" marked on the envelope will be received until 12:00 noon, Mountain Standard Time, Wednesday, February 24, 1971 at the office of The County of Parkland No. 31, Stony Plain, Alberta.

The work includes the supply of all labor and materials to construct a one storey masonry school consisting of 10 Classrooms, 2 Science Rooms, Household Economics and Industrial Arts Areas, Ancillary Room and Gymnasium along with necessary support facilities with a floor area of approximately 37,000 square feet.

General Contractors, Electrical, Mechanical and Structural Sub-trades may obtain copies of the plans and specifications at the office of the Architect on or after 12:00 noon Friday, January 29, 1971 for a deposit of \$100.00 in the form of a certified cheque made out to the Architect. This deposit will be refunded following the return of plans and specifications, and submission of tender. When the contractor fails to submit a tender, his deposit will be refunded only if plans and specifications are returned in good condition no later than seven (7) days following the date of closing of tenders.

Suppliers may examine the plans and specifications at the Edmonton Construction Association.

The project will be bid through the Alberta Bid Depository (Edmonton Branch) in accordance with their rules and regulations.

Closing times and places for tenders shall be as follows:

Subs to Prime Trades 2:00 p.m., Friday, February 19, 1971 at the Edmonton Bid Depository.

Prime Sub Trades 2:00 p.m., Monday, February 22, 1971 at the Edmonton Bid Depository.

General Contractors 12:00 noon, Wednesday, February 24, 1971 at the office of The County of Parkland No. 31, Stony Plain, Alberta.

Each tender must be accompanied by a certified cheque or bid bond in the amount of \$25,000.00 payable to the County of Parkland No. 31 as called for in the instructions to Bidders Section of Contract Documents.

The owner reserves the right to reject any or all of the tenders and the lowest tender will not necessarily be accepted.

IMPORTANT NOTICE

The School Committee of the County of Parkland No. 31 will hold a series of information meetings regarding the proposed Tuition Agreement with the Yellowhead School Division No. 12, which would enable the high school students from the north west corner of the County to attend the High School in Evansburg.

The purpose of these meetings is to give the public information regarding the proposed school, courses to be offered, terms of the agreement, etc. Officials of both school jurisdictions will be present to answer questions and discuss any aspect pertinent to this matter.

The Dates and places of the meetings are as follows:
Entwistle School - Tuesday, February 16, 1971 - 8:00 p.m.
Seba Beach School - Thursday, February 18, 1971 - 8:00 p.m.
Tomahawk School - Monday, February 22, 1971 - 8:00 p.m.

All interested persons are cordially invited to attend in their respective school districts.

E. C. LOWE
District Agriculturist

TOM BROWN
Asst. Dist. Agriculturist

In Drayton Valley each Wednesday at Sekura Auction Mart from 1:00 p.m. to 4:00 p.m.

HAVE YOU HEARD?

About the upcoming short course? February 19th, Beef Carcass Evaluation, Elks Hall, Stony Plain 1:00 to 5:00 p.m.

Programs are now available for the February T.V. series -- Fact, which features consumer information and market reports. It is presented by the Alberta Department of Agriculture over Channel 11 at 12:15 p.m. Monday thru Friday. We invite your comments on this program.

Have you heard about the formation of our Agricultural Advisory Committee? Watch for and read minutes of their meetings which will appear in this paper. Contact your District's Advisory Committee member to indicate your interest in certain programs (ie. incorporating the family farm, or consumer information etc.) or make them aware of existing problems.

The purpose of the committee is (1) to identify problems (2) to set priorities and (3) to evaluate the effectiveness of our programs. Find out from your representative on this committee how your ideas are channelled to the County Council; The Agricultural Fieldmen; the District Home Economist or your D.A.

Have you heard about the pamphlets that are available for the asking? Remember, you have paid for them and they can be useful.

--Incorporating the Family Farm
--Wills and Estate Planning
--Farm Machinery Co-ops
--Marketing Bill -- C-197 - What does it mean to you?
--Rabies -- What to do with suspected animals etc.
--Choosing silos and silage equipment.

The preceding list is intended only as a sample representing certain issues our Advisory Committee feels important. Study them diligently so that you may come by more easily that for which other men have laboured. For further information contact your D.A.

A reminder that the D.A. is at Sekura Auction Mart each Wednesday afternoon from 1:00 to 4:00 p.m.

NOTES FROM THE DA WHAT'S HAPPENING?

With quotas just beginning to open up and non-board prices at low levels, producers are asking right now: -- "Should I use fertilizer this year, and if so, how much?"

There are no general answers -- it depends on your own individual financial situation, and on grain supplies, your soil test results coupled with your knowledge of soils and fertilizers. For those of you who have specific questions relating to soils on your own farm, the following outline of a course on Soils and Fertilizers may provide some of the answers:

February 17th -- Physical Pro-

erties of Soils.

February 24th -- Chemistry of Soil as Related to Plant Nutrition.

March 3rd -- Nutrients Required By Plants.

March 10th -- Evaluation of Soil Fertility.

March 17th -- Principles and Practices of Fertilizer Use.

March 24th -- The Economics of Fertilizer Use.

March 31st -- Fertilizer Materials.

TIME AND PLACE

Eight consecutive Wednesday afternoons, 1:30 to 4:00 p.m. Sportex Building, February 10th to March 31st.

REGISTRATION FEE is \$8.00 per person which includes a three ring binder with copies of each lecture, a textbook coffee, and a certificate on course completion.

Registration forms are available from your D.A. office. Also, for the districts cattlemen, Mr. W.J. Bush, the Field Supervisor for the Department of Lands and Forests advises us that applications are now being considered for the grazing of stock on the Jack Pine Grazing Reserve. Application forms must be received in his office on or before March 15th, 1971. A cheque for \$2.50 per head plus \$2.00 permit fee or a money order must be paid at the time of application.

This money is a deposit only, not the grazing rate for the season. Copies of regulations and applications forms are available from Mr. J. L. McNamee, Pasture Manager at Gainford or from this office.

Members of the Clemmer rink are shown here receiving the Pegasus Club Trophy from Mr. Don Bester (L). Members of the rink, from the left, are, Bruce Clemmer, Donna Clemmer, Gary Bannard and Glenda Bannard.

Pegasus Club Holds Annual Bonspiel

The Mobile Oil Pegasus Club annual bonspiel for the Pegasus Challenge Trophy was played at the Drayton Valley Curling Rink last weekend.

Twenty-four rinks took part in the 'spiel with the Bruce Clemmer rink winning the top event. Second in the first event was the Norman Tucker rink with Ella Tucker, Fred Bauman and Sheila Manning.

First in the second event was the Jim Samborsky rink with Donna Olson, Arnold Olson and Fay Samborsky.

Second in the second event was the rink of Lloyd Leismelster, Greta Leismelster, Bud Boyd and Beatrice Boyd.

Prizes for all events were pre-

sented by Mr. Don Bester when the 'spiel wound-up Sunday afternoon.

SEKURA AUCTIONS MARKET REPORT

Sekura Auction Market Report for Wednesday, January 27, 1971. On offer were 170 cattle, 160 hogs and 6 sheep.

Good stock steer calves 37.00 to 41.25. Light ones could sell higher.

Good stock heifer calves 31.00 to 35.00; light ones higher.

Good feeder steers 30.00 to 37.00 per 100.

Good feeder heifers 25.00 to 30.00 per 100.

Pregnant stock cows sold to 282.50 per head.

Weaner hogs 5.00 to 9.00 per head.

Market Report for Wednesday, February 3rd:

With the usual run of cattle on hand prices held steady for kind on offer.

Good light steer calves lack of offerings to establish market.

Medium type heifer calves 32.50 to 34.00 light good packages could sell higher.

Feeder steers 31.00 to 37.25 per 100.

Medium feeder heifers 25.00 to 27.00 per 100.

Pregnant stock cows sold to a high of 287.50 per head.

Heifer type butcher cows to 23.50 per 100.

Medium cows 18.00 to 19.00 per 100.

Weaner hogs 5.00 to 9.00.

Breton Boxers Dominate Card

Six members of the Breton Boxing Club travelled to Hinton to participate in the Alberta Silver Gloves tournament last weekend, and returned with three championships, one more than any other club.

Ray Duperron, 132 lb. entry and his brother Bert displayed ability and aggressiveness in stopping their opponents in the second round of the three round match. Ray floored Rod Young of Ft. McMurray with a hard overhand right, and the trainer retired his boxer, Bert, in the 119 lb. division stopped Brian Sinclair of Hinton with a flurry of blows and the referee saw fit to stop the contest.

David Knight, 70 lbs, defeated Bruce Anderson of Rocky Mountain House in his first bout of the day. Anderson was last year Provincial and Western Canadian Champion. In his second contest of the day Knight defeated Vern Cunningham of Swan Hills, 1971 Bronze Boy.

Jimmy Knight, 60 lbs lost a split decision to Brad Hortie, Cougar Club, in a hard-fought close battle. Hortie went on to win the 60 lb. championship.

Kelly Stannard, 75 lbs, lost a controversial decision to Rod Gordon, Ft. McMurray. Gordon finished as the division's runner-up.

The other member of the Breton contingent was Eddy Lauer in the 65 lb. division.

Guy Boutin, Hinton was named Silver Boy (Best Boxer of the tournament). He won the 95 lb. division. David Knight fell short of being named Silver Boy by one point.

The Silver Gloves is a yearly event open to boys under the age of 16 years with more than six fights.

The Breton boys will next see action in Calgary on February 13th at the sales pavilion.

Earlier this winter three of our local boys, Garry Smith, Randy Teeter and Eddy Lauer travelled to Swan Hills to participate in the Bronze Gloves tournament. The club was very proud to have runner up for Bronze boy in the person of Eddy Lauer.

RAMONA NEWS

On Tuesday, February 2nd the Ramona Community League held their monthly meeting with a fair attendance. The ball teams were discussed and a dance planned for March 20th. This will be a supper and dance with the proceeds going toward buying equipment. We would like to thank Mr and Mrs. Bernie Town for the information they gave Lee and Mrs. Town have offered to come down and show us how to make uniform and crests. If your boy is between five and sixteen years of age would you please give me a call at 542-2252. We would like to get a list of all the boys in the district who are interested in playing in a team for our March 2nd meeting.

David and Bobby Kmyta and David Darragh won their basketball games on Saturday. David Darragh and Bobby play on the same team. For David Kmyta this was the third victory for their team. Congratulations boys.

A shower was held for little

Kim Davidson at the Davidson home on Sunday. Kim is the new son of Florence and Lawrence Davidson. Bingo was played with many of the children winning prizes. Florence thanked the ladies for the gifts.

Dora Plewis left the hospital Tuesday for what she hopes is for the last time. She plans to stay a couple of days with her son Ken Stewart, then go to Westlock to visit her daughter Doreen Hemdor and family. After that her plans aren't too definite yet. We wish you a happy holiday Mrs. Plewis.

Marge Pollard, Marianne, Alfred, and Sheldon Dahlgren went to Edmonton on the weekend to visit Marge's mother.

Congratulations to Joan and Don Anderson on the birth of their little daughter on Sunday, February 7th.

Belated birthday wishes to Grandma Kelly who was 74 years young on February 3rd.

I made a mistake last week and said that Mr. and Mrs. Mike Zander was Elsie Dusterhoff's and Ruth Nixon's parents. But they are Elsie and Ruth's grandparents. Sorry about that folks.

LETTERS TO THE EDITOR

Editor,
The Western Review,
Dear Sir:

Like so many other Draytonites our family finds itself up at the arena about 5 nights out of seven and there is a situation that is getting to be more than just irritating. In our times with modern facilities being what they are, one hardly expects to be unable to get a drink of water. I have yet to enter the lobby after minor hockey or figure skating and not witness a cluster of kids trying to charm a drink out of the dispenser. Let's face it, not all parents want their kids drinking that stuff and not every kid has a pocket of change to spend on it.

There is of course the wash rooms but obtaining a drink by this method leaves a lot to be desired.

It seems that there are to be renovations on the arena soon. Is it possible that the cost of installing a fountain is included in the budget. Let's hope that those who are in a position to see fit, see fit.

Canada still has her water, let's use it.

Jeanette Kuzio

Editor,
The Western Review
Dear Sir:

This year organized sports ac-

tivities on Sunday morning has become quite common. Most of these activities do not involve adults but rather the children of the town and surrounding area. A petition is presently available in a number of business places and all the churches of Drayton Valley are asking our Town Council to reconsider this policy.

The petition reads as follows:

"We the undersigned are very concerned about the use of Sunday morning as a time for organized minor sports. Team pressures and our children's desires to take part in minor sports robs them of any real freedom to choose to go to Sunday School and/or church on a Sunday morning. We are concerned that our children grow strong in body, mind, and spirit. Minor sports are a great asset to our community and to our children, but so are our churches and Sunday Schools."

"We the undersigned, therefore urge our Town Council to take a serious look at the use of Sunday mornings for minor sports and to use the power they possess to channel minor sports out of Sunday mornings into the 6½ days in the week."

All persons who share this concern are asked to sign the petition.

Rev. Dale D. Mohr
Secretary,
Drayton Valley Ministerial Association

FORTY DRIVERS LOSE LICENSES

Hon. Gordon Taylor, Alberta Minister of Highways and Transport, reports that forty drivers were suspended during the month of January under the Demerit Point system; each of these drivers obtained fifteen or more demerit points.

During January, 646 Courtesy Notices were sent out. The relatively few suspensions in relation to the large number of Courtesy Notices, which are sent out when a person secures eight or more demerit points, indicate that drivers are giving careful thought to their driving after receiving a notice.

BUCK LAKE NEWS

Thank you very much, Lillian Ullman of Leduc for the large number of Nabob coupons donated, and to Mrs. E. Sheffo of North Vancouver. You'll be glad to know that we have ordered our Coffee Urn for the Recreation Centre and have enough left over for some spoons. Now we are beginning to save for something else, so will appreciate the donation of both Nabob and Blue Ribbon coupons. A big thank you to everyone who has donated - we really appreciate your kindness.

Cathy Brzus has had to have a new cast put on her arm and must keep it on for one more month.

Buck Lake Pee Wee Hockey team played Warburg Friday on home ice, but were beaten by four goals. Keep trying, boys. Another player whose name was omitted is Ricky Stewart. Sorry about that Ricky. Hope we got them all this time.

Winfield Seniors played Alder Flats at Buck Lake, Friday night but were snowed out by the blizzard conditions.

Joan Peterson of Calgary (formerly of Buck Lake) visited with her sister, Mrs. Julie Bergquist of Drayton Valley for over a week during Semester break.

A cleaning bee was held at the Recreation Centre on Friday, January 29th at 1:00 o'clock. It surely looks nice now. Thanks to those who worked and those who have cleaned it, also the ladies who did the waxing Friday evening.

A special thanks to the ladies who organized the Ladies Bonspiel the past weekend (January 23rd and 24th) from the "Greenhorn Curlers". They all had a ball, and hope to have the chance at curling again.

Here are the results of the Ladies Bonspiel which was held at Buck Lake January 23rd and 24th. There were fifteen rinks entered in the Bonspiel.

1st in the first event was the Velma Miller rink; 2nd Verna Brown rink; 3rd, Geneva Patten rink and 4th, Audrey Rainer rink.

1st in the second event was the Alta Anderson rink; 2nd Florence Woodward rink; 3rd, Beverley Siegel rink; and 4th, Mary Williams rink.

1st in the third event was the Lucy Betlamini rink; 2nd, Vera Brzus rink; 3rd Betty Bohning rink; and 4th, Norah Dawson rink.

We wish to thank all the people who made this Bonspiel possible, and a special thank you to the women and girls who cleaned and pebbled the ice. We cleared \$130.95 after expenses were all paid, so the Bonspiel was a success financially and otherwise.

A birthday party was held Thursday evening January 28th, at the home of Clare and Rita Parker in honor of Debbie on her 9th birthday. Hope you had lots

of fun, Debbie.

Best wishes for a happy birthday to Mary Parker February 7th; Eddie Rivers February 11th and Jim Foster February 12th. Belated greetings to George McLeod for January 25th.

It has been brought to my attention that there is a noticeable lack of cooperation regarding the cleaning and upkeep of the skating rink at Buck Lake. To date there are only two or three adults and a couple of youngsters doing the work and with the tremendous amount of snow that has fallen this winter, makes a big job. Apparently some parents who have children skating there have even refused to help, so they will be in for a big surprise when the rink has to be closed and the kids have no place to skate and play hockey.

RECREATION ROUND-UP

MOTHER'S DAY OUT PROGRAM
Time - Wednesday, February 17th from 1:15 to 3:30 p.m.

Fee - \$1.00 adult and 25¢ per child. Program - Celeste Miller a home economist from Edmonton will be out to talk on Fabrics just about anything you want to know. Place - Council Chambers in the Town Hall.

LADIES KEEP FIT

Time - Every Tuesday and Thursday from 7:30 to 9:00 p.m., except it will be cancelled Thursday, February 11th. Place - Drayton Valley Junior High School Gym.

MEN'S BASKETBALL PRACTICE
Time - Monday and Wednesday 8:30 - 10:30 p.m. Place - Dray-

ton Valley Junior High School Gym.

ADULT BADMINTON

Time - Monday 8:30 - 10:30 p.m. Place - D.V. Frank Maddock High School Gym. Fee - 25¢ per person per night.

MEN'S BASKETBALL

The Drayton Valley Cager's Men's Basketball team defeated Edson I.G.A. for their second consecutive win by a score of 68 - 50. Scoring for the Cager's: John Oman 31; Jim Cathrea 14; Al Badry 10; Doug Ibbotson 7; Terry Rockwell 4, and Paul Bradley 2.

MINOR BASKETBALL

Little Canadian Basketball -- Scoreboard -- Saturday, February

6th -- 76ers 23, Celtics 8; Pistons 14 -- Lakers 8.

LEAGUE STANDINGS

	W	L	F	A	Pts.
Pistons	3	0	39	21	6
76'ers	1	2	45	42	2
Celtics	1	2	29	44	2
Lakers	1	2	39	45	2

SCORING

Lee Hodgson, 76'ers -- 27 points. Ron Barker, Lakers -- 15 points. Mark Berlinguete, Celtics -- 13. Stan Parenteau, Pistons -- 13 pts. Don Jevne, Celtics -- 11 points. Brian Compton, Pistons -- 11 pts. Grant Ellery, Lakers -- 10 points.

FUTURE GAMES

Saturday February 13th -- Lakers vs 76'ers and Celtics vs Pistons.

Get together with the easy-going flavour of Molson Golden.

It's the great get-together beer for good company and good times.

Molson Golden

...the great get-together beer!

KEEPPHILLS NEWS

Sympathy of the district goes to Mrs. Ada Gaschnitz and family of Duffield on the death of Mr. Albert Gaschnitz on Monday. Mr. Gaschnitz had been in poor health for some time.

Mary and David Tattersall of Burtonville visited briefly at Edward Tattersall's here on Thursday afternoon.

Mrs. Roy Schwietzer spent a week in Edmonton recently visiting relatives.

Mr. Jim Coates who is in the Stony Plain hospital had his family visit him recently with a nice birthday cake and tea for his 62nd birthday.

Alma White came home from the Stony Plain hospital on January 30th with baby Shane Charles born January 21st.

Several in the district have been sick with flu. The past ten days, some children missed a full week of school.

On January 31st a fair crowd was on hand at the school auditorium to enjoy Gospel singers from Edmonton as they sang and gave their personal testimonies. It was very enjoyable.

Paul and Ruby Walker are spending the winter near Hinton but say the wind seems to be worse in that area.

The Clarks at Highvale got their new well into production last week and piped into the basement.

Shown above are Cadet Corporals E. Haggart and D. Sluchinski of Alder Flats on the Breton Cadet Corp's rifle range in the Breton high school. Cadets fire their annual classification and then engage in competition shooting. Under the watchful eye of Coach MacLean of Drayton Valley, the cadets work to upgrade their marksmanship.

ALDER FLATS NEWS

Wednesday and Thursday evening (January 27th and 28th) was filled with plenty of fun and hard work for the Alder Flats Pee-Wee and Bantam hockey teams as they were invited to participate in Minor hockey week in Drayton Valley.

Wednesday was Pee Wee night and saw the Alder Flats team come up with a 5 - 1 victory over the Drayton Valley Rotaries. Scoring for Alder Flats were Rod Blades with 3 goals, Dwayne Patten and Jamie Maciborsky with one goal apiece. 1st star of the game went to Rod Blades and 3rd star went to Donald Hayduk, goalie.

In the second game Alder Flats was defeated by Drayton Elks 10 - 2. Alder Flats scores were made by Randy Hammond and Rod Blades. 2nd star in this game went to Terry Hayduk. All boys picked as stars were awarded a hockey stick.

Thursday night the Bantam games got underway. Alder Flats lost its first game to Drayton L.B. Motors 8 - 3. The Alder Flats goals were scored by Doug Hare, Wade Patten and Rod Blades. 2nd star in the game went to David Sluchinski.

It was a big night for Grant Sluchinski as he was later chosen most valuable player for the evening. Grant was presented with this award of a Treasury Branch Plaque and a hockey puck at the Rebels vs Fort Saskatchewan game Saturday evening the 30th at Drayton Valley.

A lot of credit is due these boys for the efforts put into these games as they were so short of players. Coaches Alex Danyluk of the Pee-Wees and Al Bratland of the Bantams, as well as the parents of the players should feel proud of these two hockey teams. The good sportsmanship and competition both nights provided the spectators with quite an evening.

Congratulations to these players on their awards and wins and continued success in their games.

Grant Sluchinski's rink played off for top position in the first event at the Drayton Valley high school bonspiel the past weekend, losing to the opposition. Congratulations to Grant and his team mates Susan Wennerstrom, David Sluchinski and Bonny Moehler for winning second in the 1st event.

The other two teams from here who competed in the 'spiel were Danny Olsen, Lana Blades and Shane Clemmer. The third rink consisted of Darrel Wennerstrom, Linda Siegel, Lyle Patten and Dorothy Shanks. The two teams didn't come home with any prizes but I'm sure they enjoyed their weekend of curling.

Most of the ladies had to shovel their way to the Ladies Bonspiel at Alder Flats the past weekend. It didn't seem to dampen their spirits any, and all but one team was able to make it the two days. We are sorry the Woodward's rink

from Pendryl had to cancel out on Sunday. There was a good turnout for the banquet which was held on Saturday evening, with the husbands invited to the supper.

Both Buck Lake rinks played off for 1st and 2nd in the first event with the Dawson rink coming out the victorious team. Curling with Nora was Audry Rainer, Goldie Anderson and Barbara Macleod (stainless steel tableware)

On the Alta Anderson rink was Velma Miller, Vera Brzus and Gwen Parker (cheese tray with glass cover). Third in the event was Nellie Hare with team mates Annie Capanluk, Marg Miller and Darlene Seely (covered casserole and loaf dish). Fourth place was the Eve Howatt rink with Marj Hartwick, Doris Peterson and Mary Thomas (large and small loaf dish).

Top place in the second event went to the Betty Bohning rink from Buck Lake, with Edna Was-yk, Bev Siegel and Verna Brown as her team mates. (Blankets). Second in this event was Margie Hammonds rink with Anne Olsen, Elsie Seely and Mary Wennerstrom (trays) 3rd place winners were Joyce Hayduks rink with Loraine Moore, Cecile Wennerstrom and Debbie Wennerstrom (casserole and cover) 4th place in this event went to Shiela Russel with team mates Della Scrybalo third Sandra Forchuk second and Louise Scrybalo lead. They also got a casserole and cover.

Congratulations to the Bill Rings on their new granddaughter born to Rodney and Roseanne Forth of Lacombe on Friday, January 29th, 7 lbs, 8 ozs, and are naming her Tena Marie.

Darlene and Lou Seely attended an ABS representative convention in Calgary Saturday the 23.

Chianina meeting was held in Drayton Valley the previous Friday evening with eighty people in attendance. The door prize was won by Jim Foster of Buck Lake. They formed an all Breeds Association for information center on various breeds. There was a Seminal meeting in Alder Flats.

Leigh Miller took his mother back to the city and Lou Seely to the University hospital on Sunday where Lou will undergo tests and surgery.

Donnie Maciborsky from Athabasca was home for the weekend.

Sunday School and Church was cancelled last week due to the heavy snowfall. The snow plow has been kept going day and night trying to keep the roads open but with 6 inches or so falling again during the night its been almost "Mission Impossible". The snow plows has been having its problems getting stuck also.

I noticed while going past Seely's Esso Station, after he had a caterpillar in to push out the snow in front of the premises. The snow is piled so high at one point I could just see the upper part of the station as I drove by.

Even the snow mobiles are getting buried, just too much snow even for them.

Tourist: "I got up at dawn to see the sunrise."

Second Tourist: "You couldn't have picked a better time."

PHONE 542-4230
BOX 1363 - DRAYTON VALLEY, ALBERTA

PUBLIC NOTICE BY-LAW No. 3

BY THE BOARD OF TRUSTEES OF THE DRAYTON VALLEY R.C.S. SCHOOL DISTRICT No. 111 OF THE PROVINCE OF ALBERTA

WHEREAS it is deemed expedient by the Board of Trustees of the Drayton Valley R.C.S. School District No. 111 of the Province of Alberta, that the sum of Seventy-five Thousand Dollars (\$75,000.00) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine per cent (9%) per annum for the following purposes, namely:

- Erecting a Masonry, Steel and Concrete addition to the existing school building, namely, by new construction; three general classrooms, shower and dressing rooms; by reclassification; existing Principal's office to counselling area; by renovation; existing ancillary (music room) to Principal's office, Secretary and General administration, Administration Principal's office to Staff Work Room area, \$60,000.00.
- Providing furnishings and equipment, \$5,000.00.
- Preparing site and landscaping, \$5,000.00.
- Professional fees and advertising, \$5,000.00.

THEREFORE, Notice is hereby given by the Board of said District that unless a poll of the electors of the said District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by Issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

DATED at Drayton Valley this 20th day of January, 1971.

FALLIS NEWS

Mr. and Mrs. Henry Houlte of Sudbury, Ontario were weekend visitors at the home of Mr. and Mrs. Dennis Yates.

Congratulations to Mr. and Mrs. Ken McMillan who celebrated their wedding anniversary in January.

Birthday wishes are extended to Daryl Yates who celebrated his birthday on February 5th; to Pat Orchlson who celebrated her birthday on February 14th and to Russell Orchlson whose birthday was on February 19th.

Mrs. Chrise of Winterburn was a weekend visitor at the home of Mr. and Mrs. Gordon Gunther.

Get well wishes are extended to Mr. Wilfred Quigg who is in

Edmonton Hospital.

Mrs. Keeler of Calgary was visiting at the home of Mr. and Mrs. Lawrence MacDonald.

Visiting at the home of Mr. and Mrs. McCulloch and Penny were Alex Holomey of Gainford, Mrs. Rosie Gehman and her daughter Marge and Marge's two sons Gerald and Ronnie all from Chertill.

The Fallis Community bingo was held on February 5th with a fairly good crowd. The next bingo will be held on February 19th at 8:00 p.m. Hope to see you there.

What Mother Nature giveth, Father Time taketh away.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

By the time you read this you will also have the second issue of report cards for this year. Teachers get many comments about reports, but the most consistent come from parents whose children are experiencing difficulty in school work, particularly reading. They say, "Why don't you teach sounds?" or "When I went to school, we learned our sounds" etc.

This poem reprinted from the magazine, The Grade Teacher, seems appropriate: --

PHONICS "FUN"

"no, dear, Circle starts with "C" Although it sounds like "s" Knife doesn't start with "n" nor knee,

But that's a very good guess! "Giraffe" should start with a "j"

-- that's right,

No "f" in phonograph. The "gh" is silent, yes, in night But not in cough or laugh."

Doo Soozie's kweschunz le-ev you dum?

No answerz, knot a won?

Eve hav two won conkloozshun cum,

Fonics is no phun!

Rat Situation Under Control

All infestations of Norway rats in Alberta were eliminated by the end of last year, leaving the province rat-free for the 19th consecutive year. Quite a record, most people would agree.

Based on the amount of poison used and the average size of rat infestations, an estimated 33,900 rats were killed in the province during 1970. The potential saving in rat damage for Alberta's \$40,000 control program works out to about \$1,000 for each dollar spent.

The provincial department of agriculture continued its 50 per cent grant towards the salaries and expenses of officers in six eastern border districts. Two provincial officers worked closely with municipal authorities in handling problem rat situations and in controlling rats in northern improvement districts.

A joint meeting of Alberta and Saskatchewan authorities on rat control was held in Lloydminster in March to co-ordinate the programs of the two provinces, and newly appointed officers were trained and supplied with kits.

As a result of these control measures and the co-operation received from Alberta residents, pest control officers, municipalities and other agencies; rats were successfully held along the 380-mile front from Montana to Cold Lake, despite the significant increase in numbers crossing the province's eastern border. Some rats did penetrate this line through transportation facilities, but they were exterminated before they had a chance to multiply. Pest control officers appointed by rural and urban municipalities helped to investigate and handle local reports of rats.

We never realize it, of course, but among the things that aren't what they used to be -- are we.

WHO'S NEW

February 3 -- Mrs. George Fedorchuk (Jenny), Breton, Boy, 7 lbs. 12 ozs. 3530 grams.
February 4 -- Mrs. Dave Baker, (Eleanor), Drayton Valley, Girl, 5 lbs. 10 ozs., 2560 grams.

The winner of this week's spoon is Mrs. Fedorchuk of Breton with her son weighing 7 lbs. 12 ozs. She may pick up her spoon at:

BERRYMOOR NEWS

The main topic of conversation has been the cold weather and the unusual amount of snow that we are receiving. We certainly don't envy those whose job it is to keep the roads clear of snow. In many places this has gotten to be a really difficult chore.

On the evening of Saturday, January 23rd a liquid embroidery party was held at the home of Mrs. Valera Martin. Quite a number of ladies attended and spent an enjoyable time.

We often hear stories about the fish that got away but one of our Berrymoor ladies tells a fascinating story about the pig that got away. It seems that this pig wasn't very anxious to provide you with breakfast bacon eh Dorothy?

The Three B's Club of Berrymoor held its January meeting on the 30th at the home of Mrs. Susan Roberts with eight members and one visitor present. As this was the annual meeting the auditors report was read concerning the financial affairs of the club during the past year. We want to take this opportunity to extend sincere thanks to Mr. Albert Pischke who audits the books each year. Election of officers resulted in the following: President, Mrs. Isobel Martin; Vice-President, Mrs. Calla Pischke and Secretary-Treasurer, Mrs. Helen Anderson.

A conference was held at the Berrymoor Pentecostal Church on January 30th with about forty folks in attendance.

Gilbert Martin made a hurried trip to Berrymoor one day last week.

Get well wishes to Ken Hildebrand who has had another stay in hospital because of trouble with the hand that he injured

some time ago. Hope that it heals better this time, Ken.

Get well wishes to Mrs. Ann Van Ember who had the misfortune to fall and hurt her leg.

Mr. Martin Lietz was home for a few days from his job in northern Alberta.

Church of God News

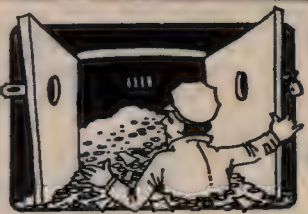

Saturday, February 20th -- A Pot Luck Supper will be held in the Church followed by a service with Missionary Stan Hoffman.

Sunday, February 21st -- Bro. Hoffman will be speaking at both the morning and evening services.

Sunday, February 28 -- Miss Hope Harrington, a professor at A.B.I. in Camrose will be our morning speaker. In the evening the Drama Group from A.B.I. will be in charge of the service. An offering for the Bible School will be taken at this time. Every one welcome.

After serving the church here for the past nine years, Rev. Snell has resigned.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending February 4, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4900	3300	1600	4000	680
Last week	5456	3749	1707	3901	228
Same week (1970)	4413	2814	1599	2613	160

SUMMARY

Poor road conditions caused by excessive snow and drifting snow continued to have an effect on livestock deliveries resulting in fairly light receipts. Slaughter steers regained early losses to close steady with last week. Heifers steady. Butcher cows 50 cents higher. Bulls strong to 50 cents higher. Good heavy fleshy feeder steers sold somewhat easier, all other replacement classes fully steady. Veal \$1.00 higher. Butcher calves steady. Lamb prices steady. Hogs about steady. **SLAUGHTER CATTLE AND CALVES**

Opening trade saw only moderate action on slaughter steers with prices 50 cents lower, however, due to the limited supply, prices strengthened as packers attempted to maintain their kills and steers regained their early losses to close steady with last week. Heavyweight and overfat steers were discounted. Butcher heifers were in short supply and sold steady throughout for the quality on offer, at the close several lots of strictly choice heifers sold at 29.50. Butcher cows were in good demand with all classes 50 cents higher. Bulls strong to 50 higher. Veal \$1.00 higher. Butcher calves fully steady.

REPLACEMENT CATTLE AND CALVES

The supply of stock calves and yearling steers again fell short of the strong demand, mainly from local and in Province buyers, and continued to sell at fully steady prices. Good heavy fleshy short keep feeder steers sold somewhat easier. Feeder heifers and stock cows sold steady.

SHIPMENTS
Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - 25 slaughter and 180 feeders, 220 feeders were through-billed to Ontario. Feeders to southern Alberta area, 1120.

CLOSING QUOTATIONS (1970 Quotations in Brackets)

SLAUGHTER CATTLE
Steers: choice 31.50 - 32.10 (30 - 30.75), good 30.50 - 31.50, medium 28 - 30.

Heifers: choice 28.75 - 29.50 (28 - 28.50), good 28 - 28.75, medium 26 - 27.50.

Cows: good 19.50 - 20.50 (20 - 21), medium 18 - 19.50, canners and cutters 15 - 17.50.

Bulls: good 22 - 24.50 (24 - 23) **REPLACEMENT CATTLE AND CALVES**

Good feeder steers (750 lbs. & under) 34 - 37 (34 - 37), (750 lbs & up) 30 - 34 (30 - 33), common to medium 26 - 32.

Good feeder heifers 27 - 31 (28 - 33), common to medium 23 - 26.

Stock cows 17 - 24 (19 - 25). Good stock steer calves (400 lbs. & under) 39 - 44 (39 - 43), (400 lbs. & up) 36 - 39, (37 - 39), common to medium 30 - 36.

Good stock heifer calves 32 - 37, common to medium 26 - 32. (Good 34 - 38).

KILLING CALVES

Good to choice veal (350 lbs. & under) 42 - 49 (42 - 46).

Good to choice butcher calves (350 lbs. - 450 lbs.) 36 - 42 (35 - 40), (450 lbs. & up) 28 - 34 (27 - 34).

HOGS

Edmonton Public Stockyards: Base Price: Monday 21.65 and 21.50; Tuesday - 21.70 and 21.55; Wednesday - 21.80; Thursday - 22.25, 21.85, 22.20 and 21.80. Last year butcher hogs sold from 36.25 to 38.25 base price.

Sows - 13.50 - 13.80 dressed wt. 1300 feeder hogs sold Tuesday and Thursday afternoon at prices ranging from 17/60/cwt. for 80 lb. feeders down to 14.00 per cwt. for heavier kinds. Weaners and light feeders sold by the head from \$6.75 each for weaners to \$16.00 each for 80 lb. feeders.

N.B. -- Four loads of butcher hogs from the Edmonton Stockyard sold for export to U.S.A.

SHEEP AND LAMBS

At last Friday's Special Sale butcher lambs brought 24.00 - 26.80/cwt. Good to choice lambs sold this week at 25.00 - 26.00 per cwt., common 23.50/cwt. Feeder lambs 22.00 - 24.50/cwt.

Drayton Team To Play in Stony Tournay

The FMHS Warriorettes traveled to Stony Plain on Saturday, February 6th to the Girl's Annual Tournament. The Warriorettes played their first game at 12:30 against Paul Kane losing by a score of 22 to 33. High scorer for the game was Judy Wilkes with 8 points. The girls played their second game at 3:00 against St. Albert Jr., who are rated as the best junior team in Edmonton. The Warriorettes had a great game winning by a big margin of 39 - 11. High scorer for the game was Cheryl Daviduk with 15 pts. Cheryl also was picked on the all-star team and won a trophy.

The next Warriorette game will be Friday, February 12th at 7:30 at the Frank Maddock High School against Concordia College. The brother team, the Warriors have a game following the Warriorettes.

Lynne Martin

Warburg Carnival Queen Candidate

The Lindale 4-H Swine Club is sponsoring Lynne Martin as candidate for the Warburg winter carnival. Lynne has been a member of the club for 8 years and during that time she held all the executive positions and won a major award trip to Nova Scotia.

Lynne attended school at Lindale and Breton and served on the students council once as room rep and once as president.

She is now attending University in Red Deer and finds this very interesting.

The winning candidate will be crowned at a dance on February 27th at the Warburg Community Hall.

Breton Elks Bingo Winners

BRETON -- Five double winners and three triple winners were featured at the Breton Elks Bingo last Tuesday, January 26th.

Double winners were Mrs. L. Roos, Buck Creek; Mrs. George Buchanan, Breton; Mrs. Marks, Breton; Mrs. P. Kavanagh, Warburg; Mrs. P. Beeltcher, Breton and Mrs. J. Saunders, Camwood.

The triple winners were Mr. Allan Dahl, Leduc, the S. Kugyelka family, Breton and Mrs. George Stevens, Breton.

Singles were taken by Mrs. H. Baumann, Westrose; Mrs. Laurette Laurie, Warburg; Mr. W. J. Bentley, Thorsby; Mrs. Wollen, Camwood; Mrs. Mary Quick, Mission Beach; Mrs. Hatt, Alsike; and Mrs. Ruby Rinas, Thorsby.

Mrs. George Stevens took the \$100.00 cash prize while Allan Dahl of Leduc took the Gold Mine Bingo.

Deardoff Rink Wins Entwistle Ladies' 'Spiel

The Entwistle Ladies Curling Club enjoyed a Bonspiel on the weekend with 16 teams entered. After twenty years of curling we have at last got artificial ice, and it was a pleasure to curl.

The winners were: Grand Challenge -- Deardoff rink of Entwistle which consisted of Audrey Deardoff, Eleanor Oliver, Marge Campbell and Maxine Willoughby. 2nd -- Starling rink of Entwistle. 3rd -- Samoil rink from Edmonton and L. Hanson, Entwistle.

2nd event -- 1st Messenger, Entwistle; Shenfield, Wildwood; Lypkie, Wildwood; and Swinner, Entwistle.

The curling club would like to thank all those that helped at the counter, at the banquet, Mr. Vic Luedtke for looking after the ice and the men who helped in any way to make our bonspiel such a success.

Everyone reported a wonderful time and we hope to see you all again next year.

Banff, Jasper, Yoho and Kootenay National Parks

Public Hearings—9 a.m. to 5 p.m.
April 19 & 20—Calgary—Carriage House Motor Inn
April 22 & 23—Edmonton—Hotel Macdonald
April 26 —Vancouver—Hotel Georgia

"The parks are hereby dedicated to the people of Canada for their benefit, education and enjoyment... and such parks shall be maintained and made use of so as to leave them unimpaired for the enjoyment of future generations." SECTION 4: NATIONAL PARKS ACT

Public hearings are being held across Canada on provisional master plans for development and use of national parks. The plans outline the Government's proposals for intensity of park use, interpretation of natural history, protection of park environment and development of visitor facilities.

Hearings will be convened in Calgary, Edmonton and Vancouver, to hear comments and recommendations on the provisional master plans for Banff, Jasper, Yoho and Kootenay National Parks. (Separate public discussion will take place at a later date on plans related to the townsites of Banff and Jasper.) There are four individual plans to be reviewed but because these parks are contiguous, they are being considered as a unit for the purpose of public hearings.

Interested individuals and organizations are invited to submit written briefs, in either official language, on any one or all of the plans and to indicate if they wish to speak at the hearings. Everyone is welcome to attend—to listen or to participate.

Copies of all four plans may be obtained for \$2.00 or individual copies for \$1.00 each (remit money order or cheque payable to the Receiver General of Canada) from:

Regional Director, Western Region,
National and Historic Parks Branch,
300 Customs Building,
Calgary 21, Alberta.

Written briefs and requests to speak are to be sent to:

Secretary, Public Hearings Program,
National and Historic Parks Branch,
400 Laurier Avenue West,
Ottawa 4, Ontario.

The Hon. Jean Chrétien, P.C., M.P.
Minister of Indian Affairs and Northern Development

FORMER OLYMPIC SWIMMING STAR ELAINE TANNER has reason to smile, surrounded by \$200,000 in cash. Now on the staff of the Calgary Exhibition and Stampede, Elaine posed recently with the \$200,000 which will all be given away between now and September 11 to winning participants in the Stampede Futurity Sweepstake.

Officers Named at Annual U.C.W. Meet

The United church women held their annual meeting on February 4th in the United Church assembly room. The meeting was very well attended. After a delicious supper the following slate of officers was elected.

Vice president, Mrs. Shirley Machan; secretary, Mrs. Rita Kenworthy; treasurer, Mrs. Ella Kelly; program, Mrs. Elda Hopfe; kitchen, Mrs. Lynn Hall; nursery, Mrs. Carol Hoyland; publicity, Mrs. Alice Kaarsemaker.

The United Church Women is divided into three groups: The leaders are -- evening study group, Mrs. Lil Ross; afternoon study group, Mrs. Bertha Elliot; evening action group, Mrs. Laura Davidson.

During a short business meeting

it was mentioned that the ladies will put on a fashion show on March 13th in the evening and afternoon in the Elks Hall.

Some ladies brought their penny bags and anybody interested could take one home. The meeting was followed by a devotion period in the church. The evening concluded with some games under the leadership of Mrs. Lil Ross.

16A 4-H Tractor Club Plans Hayride

The seventh regular meeting of the 16A 4-H Tractor Club was held on February 3rd at the home of Mr. and Mrs. M. Bruner of Evansburg. The pledge was led by Jerry Treit and roll call was answered by telling of the safety check on the member's own tractor.

On Sunday, February 21st, there are curling and bowling activities for club members and leaders in Drayton Valley. All those who were going gave Mrs. Bruner their names.

On Sunday, February 7th all those who are taking the Tractor Club as a special course for 5 credits in grade 10, 11, or 12 met at the home of Mr. and Mrs. M. Bruner to plan their program. Mr. Keast, the high school principal was also present to help plan the program.

The members decided that the hay ride will be held on the 11th or 12th of February, when the students will be out of school because of the teachers conventions, or when the weather is nice. We will be able to get me Parkcourt Hall for lunch after they hayride. All members will pay for their lunch, and they are allowed to bring one friend.

For recreation after the meeting, all members went to the skating arena to watch the girl's hockey game. Then they all came back to a nice light lunch at the Bruner residence.

Expanded Farm Business Analysis Program

Alberta's farm business analysis program has been expanded to provide farmers with a broader, more diversified and much more useful type of farm business report, Alberta's agriculture Minister H. A. Ruste said in Edmonton last week.

According to Mr. Ruste, the department's Farm Management Branch, which handles the program, has streamlined its data

handling and processing methods since last year and can now provide a faster and more accurate service as well. The minister said the new system had been tested extensively since mid-November and had demonstrated that if farmers submit accurate information, they can expect to have their completed forms returned in one month or less.

Mr. Ruste said the Alberta program offers farmers one of the most flexible systems in Canada. For example, a farmer who wishes can obtain a comprehensive report of his entire farming operation or he may request reports on any of his separate enterprises. The system is also designed to allow for future updating as circumstances change.

Mr. Ruste said he believes the farm business analysis program can be a useful tool in helping Alberta farmers make profitable management decisions. He suggested that farmers discuss the matter with their local district agriculturist.

Beware of Easy Money Schemes

There is no easy road to riches in the fur-bearing animal industry, says R. W. Gillies, fur farm supervisor with the Alberta Department of Agriculture.

He was referring to promoters of chinchilla livestock who claim that there is a packet of money to be made from these little animals which were first imported from South America over 30 years ago. The chinchilla, says Mr. Gillies, is no different to any other fur bearer. Hard work, skill and patience are required to raise these animals successfully.

Promoters of chinchilla livestock continue to come and go. When one company fails, there always seems to be another ready to take its place. The fur farm branch and the Better Business Bureau have warned the public for years to "Investigate before Investing".

Recreation Classes Planned at Tomahawk

Recreation classes are starting again in Tomahawk. Basketball classes will be held on Tuesday afternoons, from 1:00 p.m. to 4:00 p.m. at the Recreation Building. First class in on February 16th.

Children's needlecraft on Saturday afternoons, with physical culture from 1:00 p.m. to 2:00 p.m. and needle craft from 2:00 to 4:00 p.m. at the school. Starting on February 20th.

Children's Gymnastics on Saturday mornings from 10:00 a.m. to 11:30 a.m. at the school, starting on February 20th.

Teen sports night will be held on Monday evening from 7 to 9 p.m. starting on February 15th. This evening will be different

sports depending on the teen preference.

There will be no registration night, each class will register on the night of the first class.

The benefit dance that was to be held on February 20th has been postponed until February 27th at the Tomahawk Hall. The music is country and western. The Tomahawk and District Club and the Tomahawk Fire Department are sponsoring the dance. Come out and enjoy yourself and support this worthy project.

WHAT DO SKI BUNNIES WEAR?

I promised an article on ski-wear, so from the practical experience of standing on the hill and freezing, let's talk about warm ski-wear.

Feet: I've found that single pair of thermal socks are sufficient. I used to wear at least four pair, hoping to keep warm, but I've found that if your toes have some room to move in your boots they are far warmer.

Legs: I prefer stretch ski pants for they give freedom of movement and are water repellent. Long johns are excellent for both sexes. NO leotards, gals. Why, leotards are usually made of nylon which is not a warm fabric. A fiber like wool has areas where air is trapped in the fiber, nylon has none, so body heat is lost. The latest in leg wear are warm-up pants. They remind me of the suits we used to wear as kids. Warm-up pants have a nylon top fabric (wind and water repellent) and a lining for warmth. People who have tried them say they would not ski without them now.

TOP: Ski jackets are many and varied. Price is a good indication of quality. I look for storm cuffs, double zipper, reinforcement around the zipper and a neck which you can make tight. You should have sufficient room for bending and stretching, especially in the arm area. HEAD: I prefer some type of toque which gives protection to ears and forehead. My hat also has a chin strap which is great for keeping my chin warm.

Lets not forget hands: Mitts are my preference. In mitts your fingers can move together so you can roll them up to warm them. Look for a water repellent fabric, warm lining and long storm cuffs. Well, skiers, at least we do not have to pray for more snow. Enjoy your skiing and if all else fails to keep you warm, try the lodge.

A.A.R.N. Meeting Next Monday

The local chapter of the A.A.R.N. will meet February 15th at 8:00 p.m. at the nurses' residence.

Mrs. La Forge will be guest speaker and will show a film and speak on Muscular Dystrophy. This will start at 9:00 p.m.

Nurses and certified nursing aides are invited to attend this meeting.

Horses Wanted For Shoeing

The Olds College will be looking for about 300 horses during February and March to use for shoeing in their farriers course. The instructors are particularly interested in horses which need special shoes to correct foot and leg problems.

The course started early in January and will finish on March 26. It included instruction in the anatomy and physiology of the horse as well as in blacksmithing and horseshoeing techniques. Dr. Krammer of the Saskatoon Veterinary College will be at Olds for one day in March to discuss pathological hoof problems. Since the course is designed to equip graduates to start their own businesses, it also covers accounting and business procedures.

Forty people from Western Canada and the United States applied for the course when it was advertised. However, because of the limited facilities, only 12 applicants could be accepted. One of these is from British Columbia, nine are from Alberta and two are from Saskatchewan, Canada Manpower and Alberta Vocational Training grants are being used by four of the students. The average age of the students is 28 and they have an average educational level of grade XI.

Anyone interested in having his, or her, horse shod at the Olds College should contact Dennis Radcliff, animal science instructor. Owners will be responsible for transporting their horses to and from the college, but they can be stabled at the college at no cost. A very nominal fee will be charged for the farrier work.

LODGEPOLE NEWS

Miss Bonnie McGregor of Medicine Hat spent a week here with her parents.

Mrs. Joyce Saunders assumed the position of school secretary on February 1st. A farewell gift was presented to Mrs. Bertha Erickson by the staff and pupils in appreciation of her services as school secretary.

Mrs. Freda Strauss took part in a ladies bonspiel at Bruderheim and came home with one of the prizes.

Mr. and Mrs. Strauss attended a funeral in Edmonton on Tuesday of a pilot who lost his life in a norther flight.

The parents of Mrs. Leon Berglund, Mr. and Mrs. Jacobson of Edson came down on the weekend. Mrs. Jacobson spent a few days getting acquainted.

We hope good health soon returns to Mr. Henry Elliot who has been confined at home recently. Besides he is missed at the curling rink.

One of our former residents and ardent curler, Elmer Kupsch has been sidelined for a couple of months recuperating from the removal of a disc from his back.

A full slate of twenty ladies rinks will descend on Lodgepole

this weekend for our Annual Bonspiel. Much preparation has been made to welcome them.

The deep snows of the past weeks found men flexing muscles they never knew they had digging out skidish cars and trucks. Now warm melting days finds them up on roofs still shovelling but smiling again. Even the hardy Indian hasn't seen snow like this winters in more than thirty five years. Any ambitious dog that was inclined to chase something was soon reduced to a nose and tail peeking out of the snow marked only by a loud bark to mark the spot. A little calf that arrived on January 26th soon learned to cavort carefully down the beaten track or be buried in the deep snow and have to spend her time being carefully and slowly licked dry by a motherly tongue.

TOWN OF DRAYTON VALLEY PUBLIC NOTICE

There has been a more than average snowfall so far this winter. Consequently we should be looking out for overload conditions on our roofs and plugging conditions of vents. Also pedestrians are asked to be careful when using sidewalks because of slippery and uneven conditions. In addition all who own premises within Drayton Valley are asked to read carefully the following excerpt from Town Bylaw No. 361:

PART 6 -- SNOW, ICE AND DUST

SIDEWALK SAFETY MEASURES -- 601. Within a period of approximately twenty-four (24) hours after the end of a storm that has left the streets covered with snow or ice, the occupier of every business premises with any portion of the premises abutting a Town sidewalk shall take reasonable measures to make the portion of the public sidewalk on the front and the flank of his property safe for pedestrians. The foregoing shall not be construed to relieve pedestrians from the duty of due care, nor to relieve the Town of the duty to sand or otherwise improve the sidewalk surface as soon as practicable following the storm.

IN CASE OF NON-REMOVAL -- 602. When the Works Superintendent considers that an occupier of business premises has failed to meet the requirements of Section 601 then the occupier of the business premises shall be advised that failing immediate improvement of the sidewalk condition the Town will undertake the necessary work and will charge the cost thereof to the occupier of the abutting property.

SNOW ETC. ON ROOFS TO BE REMOVED -- 603. Every occupant, and in case there is no occupant, the owner of every house, shop, building, church or chapel, abutting on or erected within ten feet of any street, sidewalk, lane or public place, shall, whenever snow or ice shall accumulate on the roof or eaves of such building, to an extent that shall be dangerous to persons passing, cause the same to be removed at once, and every person while removing the same shall take due and proper care and precaution for the warning and safety of persons passing.

NO INJURY TO SIDEWALK -- 604. No person shall cause any injury to any sidewalk in the Town by striking, picking or cutting the same with any shovel, pick, crow-bar or other metal instrument, whether such person is engaged in removing snow or ice from such sidewalk or not.

SWEEPING SIDEWALKS -- 605. The owners or occupiers of any premises fronting or adjoining on any sidewalk may sweep or clean the same, or cause them to be swept or cleaned, subject to the following regulations:

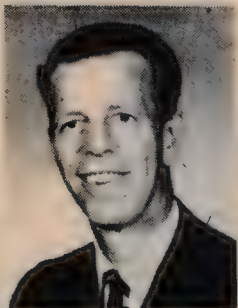

- All such sweeping or cleaning shall be done between the hours of 1 a.m. and 9 a.m. of the following morning, except where by reason of storm it shall become necessary to again sweep or clean during the remainder of the day.
- Persons so sweeping or cleaning sidewalks shall cease operations whenever any pedestrian is passing, and shall not sweep any dust, dirt or other material upon or directly in front of any pedestrian.

The mayor and council respectfully solicit your cooperation.

EVANSBURG D.A. REVIEWS RABIES SYMPTOMS

Confirmed Case In Wildwood Area

By ROBERT WINCHELL,
District Agriculturist, Evansburg, Alberta

As you are probably aware there have been several cases of rabies reported in Alberta this winter. There has now been a confirmed case of rabies in the Wildwood area. The animal involved was a coyote. I would urge the residents of the Edson - Evansburg area to be on the alert for this disease. Watch out for wild animals, pets or livestock that are behaving abnormally or have lost their fear of man.

Some of the following information describing the symptoms of rabies may be of assistance to you in dealing with this problem. WHAT IS RABIES?

Rabies is an infectious and contagious disease caused by a virus which affects the nervous system of all warm-blooded animals including man.

HOW IS RABIES SPREAD?

Rabies is usually spread by the bite of an infected animal. Infection can occur if the saliva of an infected animal enters an open cut or wound. The biting animals such as the skunk, fox, wolf, coyote, dog and cat, are the most active spreaders of the disease.

RABIES IN PETS

How long does rabies take to develop? Symptoms of rabies usually appear 3 to 6 weeks after a cat or dog has been bitten. In the dog, however, they may not develop for up to 6 months. The length of time between infection and the onset of symptoms depends on the severity of the bite or wounds, and their distance from the brain.

How does a rabid animal act? There are two forms of rabies: Furious Rabies and Dumb Rabies. The symptoms described below are characteristic of the different forms, but a rabid animal will not necessarily exhibit all of them.

FURIOUS RABIES
IN THE DOG

The first symptom noticed is usually a change in its disposition. A normally friendly dog may become shy, hide in dark places, resent attention and snap when bothered. A normally shy or snarly dog may become unusually friendly. During this stage, a dog's voice becomes hoarse and its appetite diminished or perverted; it will eat sticks, stones or rubber.

Soon after this, the dog be-

comes very nervous and excitable. The expression of its eyes and face is a combination of alertness, fear and ferocity. This has been described as a fox-like expression. During this stage, the dog may travel several miles, trotting along with its head and tail down, drooling saliva, and biting at anything and everything it meets. A dog that is tied or shut up will often chew at its chain or the bars of its cage, injuring teeth and mouth so that blood appears in its saliva. This period may last several days, and the dog will become thin because it is not eating.

In the third or paralytic stage the dog staggers; is soon unable to get up; and eventually becomes completely paralyzed. Death follows unconsciousness or a violent convulsion, about 4 to 7 days after symptoms first appear.

IN THE CAT

The symptoms are much the same as in the dog. It becomes restless and moves about persistently in an erratic manner. It will not wander as far as a dog. Muscle spasms occur and are often brought on by sudden noise or excitement. During these spasms the cat will jump about furiously and attack other animals and man.

DUMB RABIES

In this form, the period of excitability and viciousness is either absent or very short and often goes unnoticed. Paralysis usually starts in the throat, so that the animal is unable to bite or swallow, and saliva drools from its partly open mouth; it may appear as if it had a piece of bone stuck in its throat. It rapidly loses weight; paralysis develops quickly; and the animal dies shortly afterwards.

RABIES IN LIVESTOCK

How long does it take rabies to develop? In a farm animal, symptoms of rabies may appear as early as 10 days after it has been bitten, but three to six weeks is more usual. Symptoms in dogs may not show for up to six months. The length of time between infection and the onset of symptoms depends on the severity of the bite or wounds and their distance from the brain.

How does a rabid animal act? CATTLE: Infected cattle may have a wild, staring expression

due to excitement. This is followed by violent actions, which are sometimes brought on by approaching objects. Cattle may suddenly let out a loud, hoarse, unnatural bellow, as though terrified; pull strenuously backward and forward if tied up; rush about wildly and leap into the air if loose; stamp their feet and switch their tails; shake their heads violently; bite viciously at any object or animal within reach, sometimes biting the manger and injuring their mouths. Between these violent outbursts there may be periods of calm in which they stand quietly with head slightly raised. Twitching of the muscles of the ears, skin and tail, accompanied by frequent blinking of the eyelids may be noticed. At times cattle may be restless and kick at their abdomen. Sexual desire may be increased and they will "ride" other cattle. A strong and often persistent desire to lick objects is present. There is an abundant flow of saliva. The animals do not eat and as a result become very weak and thin. Following this stage, paralysis sets in, affecting the hindquarters first. Soon the cattle are unable to rise. They may become unconscious and die rapidly, or struggle for a few days before dying.

In some cases of rabies, the excitement stage is absent or very short and goes unnoticed and only the paralytic stage is seen. Cattle usually stay away from the rest of the herd, are dull, yawn a good deal, shift their feet and muck at the fetlocks; their face and neck muscles twitch. They may strain considerably and arch their back, urinate frequently, smack their lips and grind their teeth. Milk production drops suddenly, salivation is excessive and rumination ceases, causing bloating. As the animals are unable to swallow or close their mouths, they sometimes appear to be choking. They rapidly become thin, get weak in the hindquarters, stagger and go down. Death usually occurs 4 to 6 days after symptoms appear.

HORSES: Symptoms of rabies in horses are similar to those described for cattle. In the initial stage of excitement horses stand with their ears erect, quite alert, and their eyes have a glassy stare. Their muscles often twitch and their eyes move quickly back and forth. Horses with rabies may get up and lie down frequently, roll and shake their head. The site of the bite may be intensely irritated and they will lick and frequently chew it viciously. Violent spasms, which may be brought on by a noise are common. Horses kick, rush and bite savagely at the manger burying their teeth in the wood and sometimes breaking them. Later they may smash their stall to pieces and escape from the barn. Saliva flows copiously and the horses are extremely thirsty, grind their teeth frequently, suddenly snort loudly, and have difficulty in swallowing, with the result that food returns through their nostrils. They begin to move stiffly and jerkily; become quite vicious, rushing at other animals and biting; become quite thin, and have frequent convulsions, during one of which they may die. In other cases, horses are dull and depressed. Muscles twitch, including those of the eyes, which have a reddened, unnatural appearance. Breathing is labored and jerky, accompanied by snuffling sounds. The animals may press their heads against the manger or wall and grind their teeth. As the disease progresses, they knuckle over on their fetlocks, stagger and eventually go down. Horses become quite thin and the flow of saliva increases. They may bury their teeth in the ground or other objects and hang on. Convulsions set in, and gradually become more severe. Finally, paralysis and death occur 4 to 6 days after the onset of the symptoms.

SHEEP
The symptoms seen in sheep are similar to those in cattle. They hold their heads erect; their eyes are bright and rolling; they grind their teeth; give frequent loud hoarse bleats; have a desire to lick; are quarrelsome,

"Heads up now... we've got the wind on our side this period!"

running and butting others viciously and occasionally biting; have increased sexual desire; have increased salivation; stop eating; becoming thin and weak; eventually stagger and fall; go into convulsions and die 2 to 5 days after symptoms appear.

In some cases, the period of excitement is absent and sheep are found lying down, unable to get up, breathing heavily, with muscles and eyes twitching and salivating profusely. They become quite thin, go into convulsions and soon die.

PIGS

Swine affected with rabies frequently hide in bedding or other places and may, without apparent reason, rush out in terror, their eyes quite brilliant, grunting and squealing loudly. They stop eating but will chew on wood and other objects. They may have increased salivation; "Champ" their jaws; be extremely restless and attack and bite savagely. Swine rapidly become paralyzed, with throat and hindquarters affected first. They go into convulsions and die quickly, 1 to 6 days after symptoms appear.

HOW TO PREVENT RABIES

IN MAN

Call a doctor immediately if a person is bitten by any animal. If a doctor is not available, thoroughly scrub all wounds to their full depth for 15 to 20 minutes, using a strong soap and changing the wash water frequently. Then apply an antiseptic.

Wear heavy gloves if you have to handle a suspect animal that appears to be choking. You could expose yourself to infection if there are cuts or scratches on your hands.

DO NOT TOUCH with bare hands, wild animals which appear to be sick or excessively tame, or pets you do not know. Squirrels, chipmunks, gophers and bats often bite children when they try to pick them up.

What to do if you suspect an animal has rabies. NOTIFY the Health of Animals Branch of the Canada Department of Agriculture in Edmonton as quickly as possible. If you are unable to contact their office notify your local veterinarian, R.C.M.P., Agricultural Fieldman, Fish and Wildlife Officer, Public Health Officer, District Agriculturist. Rabies is a reportable disease under federal law.

WHEN A PERSON IS BITTEN by a dog or other pet animal, make every effort to capture and confine the suspect rabid animal. It should not be killed unless absolutely necessary to prevent its escape, or unless it presents a danger to human health. WHEN AN ANIMAL IS BITTEN, it should be confined away from people and other animals. Every effort should be made to capture the biting animal in order to determine definitely whether or not it is rabid.

We are not put on this earth primarily to see through one another, but to see one another through.

TOWN OF DRAYTON VALLEY

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN that the council of The Town of Drayton Valley propose to pass a bylaw to amend Bylaw 449, being The Building, Development and Zoning Bylaw of the said town.

That Bylaw No. 524 of The Town of Drayton Valley authorize the council of the said Town of Drayton Valley to amend Bylaw No. 449 as follows:

1. That Lot 13 Block 6 in Plan No. 2151KS in the Townsite of Drayton Valley be rezoned from the present "Residential Multiple Family R3" classification to "Industrial 1" classification.

A copy of this Bylaw No. 524 and the map of the proposed area may be examined in the town office at all reasonable business hours.

A Public Meeting will be held in the Town Office at Drayton Valley on the 25th day of February 1971 at 3:00 p.m. for the council to consider any objections, recommendations and/or complaints pertaining to this proposed amendment.

DRAYTON VALLEY, ALBERTA, W. G. JOHANNESON,
1, FEBRUARY, 1971 Secretary-Treasurer

MARSH WORLD

by Angus Shortt
Ducks Unlimited

MOOSE DINNER

Marshes in eastern and northern lake country, that have abundant aquatic vegetation, such as the yellow water lily or spatterdock are a gourmets delight to a moose.

The huge animals wade into the marsh, often shoulder deep, to feast on this delicacy. In the process of feeding, the bull's great antlers become festooned with yards of water lily roots and stalks, pulled up from the bottom.

Oil Wives Hold Fish Auction

The February meeting of the Drayton Valley Oilwives was held at the Cardium Room with 80 members and 7 guests.

We enjoyed a veal cutlet supper.

Donna Gawalko called the meeting to order and the committee reports were heard.

We are holding a semi-formal dance. The February Snow Ball will be held on February 19th. Supper will be served between 7:00 and 8:00 with music by the Silvertones. The tickets, which are \$7.50 a couple, can be purchased from Carol Lawrence at 542-3756, Mary Barker at 542-2067 and from the Matador Motel.

Nominations are open for an Honorary Member of our club. Please pass your choice on to Kay Meraw.

The main evening's entertainment was a fish auction with Lorraine Custance as the capable auctioneer.

A variety of white gifts were wrapped as fish, tad poles, crabs, whales and octopi. A word of praise to the ladies for the work and imagination they put into the gifts.

Our March meeting will be held at the Elks Hall on March 8th. This will be a Pot Party, so come in hippy dress. Members are welcome to bring a guest.

The next executive meeting will be held at Mary Ibbotsons.

CARD OF THANKS

I wish to thank the Drayton Valley Hospital staff and Dr. Belcher for their care of my late husband Mr. H. Guyon during his stay in hospital. Thank you to friends and neighbors who sent cards of sympathy and flowers on his passing February 2, 1971.
Mrs. Aurore Guyon

A very sincere thank you is extended to everyone who gave us personal help and donations when fire destroyed our home. Words cannot express our heartfelt appreciation for the help we received.
Cy and Rose Young and family.

Shaling; Mrs. Fay Shearer; Mrs. Betty Bouschard; Mrs. Mary Poloway and Mrs. Phil Kupsch in their annual bonspiel of January 30th and 31st.
10c

MAIN STREET

If there's a wolf on the doorstep, there's a teenage daughter in the house.

Cake Decorating Demonstration

The Tomahawk and District ladies enjoyed a cake decorating demonstration by Mrs. Stewart of Moon Lake on January 22nd at the Tomahawk and District Recreation Center. The ladies gained many new ideas on decorating cakes and would like to extend their thanks to Mrs. Stewart.

The next program will be on February 9th when Mrs. K. Hamilton will be out from Edmonton to demonstrate the knitting machine, samples of wool, patterns, garments made up, rug making with wool, crochet patterns, pillow kits and tapestry.

On February 22nd from 1:30 - 3:30 Jeanette will be here again from Drayton Valley to demonstrate hair styling. She will use three ladies from the community to show different hair styles.

The Home Economist will be out on March 5th from 1:30 till 3:30. She will speak on the topic that was scheduled in January. Everyone is welcome so hope to see you there.
